§ 831.641 Division of a survivor annuity.

(a) Except as provided in §§831.682 and 831.683, the maximum combined total of all current and former spouse annuities (not including any benefits based on an election of an insurable interest annuity) payable based on the service of a former employee or Member equals 55 percent (or 50 percent if based on a separation before October 11, 1962) of the rate of the self-only annuity that otherwise would have been paid to the employee, Member, or retiree.

(b) By using the elections available under this subpart or to comply with a court order under subpart Q, a survivor annuity may be divided into a combination of former spouse annuities and a current spouse annuity so long as the aggregate total of current and former spouse annuities does not exceed the maximum limitation in paragraph (a) of this section.

(c) Upon termination of former spouse annuity payments because of death or remarriage of the former spouse, or by operation of a court order, the current spouse will be entitled to a current spouse annuity or an increased current spouse annuity if—

(1) The employee or Member died while employed in a position covered under CSRS; or

(2) The current spouse was married to the employee or Member continuously from the time of retirement and did not consent to an election not to provide a current spouse annuity; or

(3) The current spouse married a retiree after retirement and the retiree elected, under §831.631, to provide a current spouse annuity for that spouse.
in the event that the former spouse annuity payments terminate.

(c) For satisfying the child-born-of-the-marriage requirement of paragraph (a)(2) of this section, any child, including a posthumous child, born to the spouse and the employee, Member, or retiree is included. This includes a child born out of wedlock or of a prior marriage between the same parties.

(d)(1) A death is accidental if it results from homicide or from bodily injuries incurred solely through violent, external, and accidental means. The term “accidental” does not include a death—

(i) Caused wholly or partially, directly or indirectly, by disease or bodily or mental infirmity, or by medical or surgical treatment or diagnosis thereof; or

§ 831.643 Time for filing applications for death benefits.

(a) A survivor of a deceased employee, Member, or retiree, may file an application for annuity, personally or through a representative, at any time within 30 years after the death of the employee, Member, or retiree.

(b) A former spouse claiming eligibility for an annuity based on §831.683 may file an application at any time between November 8, 1984 and May 7, 1989. Within this period, the date that the first correspondence indicating a desire to file a claim is received by OPM will be treated as the application date for meeting timeliness deadlines and determining the commencing date of the survivor annuity under §831.683 if the former spouse is eligible on that date.
