§ 831.644 Remarriage.

(a)(1) If a recipient of a current spouse annuity remarried before November 8, 1984, the current spouse annuity terminates on the last day of the month before the recipient remarried before attaining age 60.

(2) If a recipient of a current spouse annuity remarries on or after November 8, 1984, a current spouse annuity terminates on the last day of the month before the recipient remarries before attaining age 55.

(b) A former spouse annuity or eligibility for a future former spouse annuity terminates on the last day of the month before the month in which the former spouse remarries before attaining age 55.

(c) If a current spouse annuity is terminated because of remarriage of the recipient, the annuity is reinstated on the day of the termination of the remarriage by death, annulment, or divorce if—

1. The surviving spouse elects to receive this annuity instead of any other payments to which he or she may be entitled under CSRS, or any other retirement system for Government employees, by reason of the remarriage; and

2. Any lump sum paid on termination of the annuity is returned to the Civil Service Retirement and Disability Fund.

(d) (1) If present or future entitlement to a former spouse annuity is terminated because of remarriage before age 55, the entitlement will not be reinstated upon termination of the remarriage by death or divorce.

(2) If present or future entitlement to a former spouse annuity is terminated because of remarriage before age 55, the entitlement will not be reinstated upon annulment of the remarriage unless—

i. The decree of annulment states that the marriage is without legal effect retroactively from the marriage’s inception; and

ii. The former spouse’s entitlement is based on section 4(b)(1)(B) or section 4(b)(4) of Pub. L. 98–615.

3. If a retiree who is receiving a reduced annuity to provide a former spouse annuity and who has remarried that former spouse (before the former spouse attained age 55) dies, the retiree will be deemed to have elected to continue the reduction to provide a current spouse annuity unless the retiree requests (or has requested) in writing that OPM terminate the reduction.

§ 831.645 Elections between survivor annuities.

(a) A current spouse annuity cannot be reinstated under §831.644 unless—

1. The surviving spouse elects to receive the reinstated current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees, by reason of the remarriage; and

2. Any lump sum paid on termination of the annuity is returned to the Civil Service Retirement and Disability Fund.

(b) A current spouse is entitled to a current spouse annuity based on an election under §831.631 only upon electing this current spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees.

(c) A former spouse who marries a retiree is entitled to a former spouse annuity based on an election by that retiree under §831.632, or §831.682, or a qualifying court order terminating that marriage to that retiree only upon electing this former spouse annuity instead of any other payments (except any accrued but unpaid annuity and any unpaid employee contributions) to which he or she may be entitled under CSRS, or any other retirement system for Government employees.
Office of Personnel Management

§ 831.662

(d) A current spouse annuity terminated for reasons other than death may be restored under conditions defined in sections 8341(e)(2) and 8341(g) of title 5, United States Code.

(e) A survivor annuity accrues on a daily basis, one-thirtieth of the monthly rate constituting the daily rate. An annuity does not accrue for the 31st day of any month, except in the initial month if the survivor’s (of a deceased employee) annuity commences on the 31st day. For accrual purposes, the last day of a 28-day month constitutes 3 days and the last day of a 29-day month constitutes 2 days.

(f) Initial cost-of-living increases on current and former spouse annuities, and annuities to beneficiaries of insurable interest annuities are prorated under section 8340(c) of title 5, United States Code.

§ 831.661 Deposits not subject to waiver.

(a) The deposits required to elect fully or partially reduced annuities under §§ 831.622, 831.631, 831.632, 831.682, 831.684, or 831.685 are not annuity overpayments and their collection is not subject to waiver. They are subject to reconsideration only to determine whether the amount has been correctly computed.

(b) [Reserved]

§ 831.662 Deposits required to change an election after final adjudication.

The amount of the deposit required under § 831.622 or § 831.685 equals the sum of the monthly differences between the annuity paid to the retiree and the annuity that would have been paid if the additional annuity reduction elected under § 831.622 or § 831.685
