(a) The amount of Option A coverage an annuitant or compensationer can continue is $10,000.

(b) An annuitant’s or compensationer’s Option A coverage reduces by 2 percent of the original amount each month up to a maximum reduction of 75 percent. This reduction starts at the beginning of the 2nd month after the date the insurance would otherwise have stopped or the beginning of the 2nd month after the date of the insured’s 65th birthday, whichever is later.

§ 870.705 Amount and election of Option B and Option C.

(a) The number of multiples of Option B and Option C coverage an annuitant or compensationer can continue is the highest number of multiples in force during the applicable period of service required to continue Option B and Option C.

(b)(1)(i) At the time an employee retires or becomes insured as a compensationer, he/she must elect the number of allowable multiples he/she wishes to continue during retirement or while receiving compensation.

(ii) An employee who elects to continue fewer multiples than the number for which he/she is eligible is considered to have cancelled the multiples that are not continued.

(iii) Employees separating for retirement and employees becoming insured as compensationers on or after April 24, 1999, must also elect either Full Reduction or No Reduction for all of the multiples being continued.

(iv) An employee who does not make a reduction election is considered to have chosen Full Reduction.

(2)(i) Prior to reaching age 65, an annuitant or compensationer can change from No Reduction to Full Reduction at any time. Exception: If the individual has assigned his/her insurance as provided in subpart I of this part, only the assignee can change from No Reduction to Full Reduction for the Option B coverage.

(ii) Prior to reaching age 65, an annuitant or compensationer can change from Full Reduction to No Reduction at any time.

(3)(i) After reaching age 65, an annuitant or compensationer can change from No Reduction to Full Reduction at any time. Exception: If the individual has assigned his/her insurance as provided in subpart I of this part, only the assignee can change from No Reduction to Full Reduction for the Option B coverage. If an individual age 65 or over changes to Full Reduction, the amount of insurance in force is computed as if he/she had elected Full Reduction initially. There is no refund of premiums.

(ii) Except as provided in paragraph (b)(4) of this section, after reaching age 65, an annuitant or compensationer cannot change from Full Reduction to No Reduction.

(iii) Shortly before an annuitant or compensationer’s 65th birthday, the retirement system will send a reminder about the election he/she made and will offer the individual a chance to change the election. At that time, the annuitant or compensationer can choose to have some multiples of Option B and Option C reduce and some not reduce.

(ii) If the individual is already 65 or older at the time of retirement or becoming insured as a compensationer, the retirement system will send the reminder and give the opportunity to change the election as soon as the retirement processing or compensation transfer is complete.

(iii) If the individual assigned his/her insurance as provided in subpart I of this part, and if the employee elected No Reduction for Option B coverage at the time of retirement or becoming insured as a compensationer, the retirement system will send the reminder notice for Option B coverage to the assignee.
