Office of Personnel Management

§ 919.310
(d) A transaction that the OPM needs to respond to a national or agency-recognized emergency or disaster.
(e) A permit, license, certificate, or similar instrument issued as a means to regulate public health, safety, or the environment, unless the OPM specifically designates it to be a covered transaction.
(f) An incidental benefit that results from ordinary governmental operations.
(g) Any other transaction if the application of an exclusion to the transaction is prohibited by law.

§ 919.220 Are any procurement contracts included as covered transactions?
(a) Covered transactions under this part—
(1) Do not include any procurement contracts awarded directly by a Federal agency; but
(2) Do include some procurement contracts awarded by non-Federal participants in nonprocurement covered transactions (see appendix to this part).

(b) You may not enter into any transaction with a person who is disqualified from that transaction, unless you have obtained an exception under the disqualifying statute, Executive order, or regulation.

§ 919.310 What must I do if a Federal agency excludes a person with whom I am already doing business in a covered transaction?
(a) You as a participant may continue covered transactions with an excluded person if the transactions were in existence when the agency excluded the person. However, you are not required to continue the transactions, and you may consider termination. You should make a decision about whether to terminate and the type of termination action, if any, only after a thorough review to ensure that the action is proper and appropriate.
(b) You may not renew or extend covered transactions (other than no-cost time extensions) with any excluded
