supervisor, the ethics liaison in his or her office, and the DAEO on a form prescribed by the DAEO. Notice shall be made as soon as possible after learning about employment already in existence or in advance of known prospective employment. The employee shall be disqualified from participation in any matter involving the employee’s spouse or relative, or the employing entity, unless the DAEO authorizes the employee to participate in the matter using the standard in §2635.502(d) of the Executive Branch-wide Standards.

§ 4001.107 Involvement in System institution board member elections.

No covered employee who is able to participate in a System institution board election because of System securities owned by virtue of retaining a pre-existing loan or extension of credit from a System institution in accordance with §4001.104(b) shall take any part, directly or indirectly, in the nomination or election of a board member of a System institution, other than by exercising the right to vote. In addition, a covered employee shall not make any oral or written statement that may be reasonably construed as intending to influence any vote in such nominations or elections.

§ 4001.108 Outside employment and business activity.

(a) Prohibition. No covered employee shall perform services, either on a paid or unpaid basis, for any System institution or related entity, or any officer, director, employee, or person connected with a System institution or related entity. Nothing in this section would prohibit covered employees from providing any service that is a part of their official duties.

(b) General requirement for prior approval. All employees shall obtain prior written approval before engaging in any outside employment or business activity, with or without compensation, unless the outside activity is exempt from the definition of “employment” as set forth in paragraph (c) of this section. An employee proposing to engage in outside employment and business activities is required, prior to commencement, to send a written notice of the proposed employment or activity to the DAEO on a form prescribed by the DAEO. Approval shall be granted only upon a determination that the employment or activity is not expected to involve conduct prohibited by statute, part 2635 of this title, or paragraph (a) of this section.

(c) Definition. For purposes of this section, “employment” means any form of non-Federal employment, business relationship or activity involving the provision of personal services by the employee, whether or not for compensation. It includes, but is not limited to, personal services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee, teacher, or speaker. It includes writing when done under an arrangement with another person for production or publication of the written product. It does not, however, include participation in the activities of a nonprofit charitable, religious, professional, social, fraternal, educational, recreational, public service, or civic organization for which no compensation is received other than reimbursement for necessary expenses.

§ 4001.109 Waivers.

The DAEO may grant a written waiver from any provision of this part based on a determination that the waiver is not inconsistent with part 2635 of this title or otherwise prohibited by law and that, under the particular circumstances, application of the provision is not necessary to avoid the appearance of misuse of position or loss of impartiality, or otherwise to ensure confidence in the impartiality and objectivity with which Corporation programs are administered. A waiver under this paragraph may impose appropriate conditions, such as requiring execution of a written disqualification.
