Basic pay means an employee’s rate of pay before any deductions and exclusive of additional pay of any kind, except as expressly provided by law or regulation. For the specific purposes prescribed in §§9701.332(c) and 9701.333, respectively, basic pay includes locality and special rate supplements.

Classification, also referred to as job evaluation, means the process of analyzing and assigning a job or position to an occupational series, cluster, and band for pay and other related purposes.

Competencies means the measurable or observable knowledge, skills, abilities, behaviors, and other characteristics required by a position.

Occupational cluster means a grouping of one or more associated or related occupations or positions. An occupational cluster may include one or more occupational series.

Occupational series means the number OPM or DHS assigns to a group or family of similar positions for identification purposes (for example: 0110, Economist Series; 1410, Librarian Series).

Position or Job means the duties, responsibilities, and related competency requirements that are assigned to an employee whom the Secretary or designee approves for coverage under §9701.202(a).

§ 9701.205 Bar on collective bargaining.

As provided in the definition of conditions of employment in §9701.504, any classification system established under this subpart is not subject to collective bargaining. This bar on collective bargaining applies to all aspects of the classification system, including but not limited to coverage determinations, the design of the classification structure, and classification methods, criteria, and administrative procedures and arrangements.

CLASSIFICATION STRUCTURE

§ 9701.211 Occupational clusters.

For the purpose of classifying positions, DHS may, after coordination with OPM, establish occupational clusters based on factors such as mission or function; nature of work; qualifications or competencies; career or pay progression patterns; relevant labor-market features; and other characteristics of those occupations or positions. DHS must document in implementing directives the criteria and rationale for grouping occupations or positions into occupational clusters.

§ 9701.212 Bands.

(a) For purposes of identifying relative levels of work and corresponding pay ranges, DHS may, after coordination with OPM, establish one or more bands within each occupational cluster.

(b) Each occupational cluster may include, but is not limited to, the following bands:

(1) Entry/Developmental—work that involves gaining the competencies needed to perform successfully in a Full Performance band through appropriate formal training and/or on-the-job experience.

(2) Full Performance—work that involves the successful completion of any required entry-level training and/or developmental activities necessary to independently perform the full range of non-supervisory duties of a position in an occupational cluster.

(3) Senior Expert—work that involves an extraordinary level of specialized knowledge or expertise upon which DHS relies for the accomplishment of critical mission goals and objectives; reserved for a limited number of non-supervisory employees.

(4) Supervisory—work that may involve hiring or selecting employees, assigning work, managing performance, recognizing and rewarding employees, and other associated duties.

(c) DHS must document in implementing directives the definitions for each band which specify the type and range of difficulty and responsibility, qualifications, competencies, or other characteristics of the work encompassed by the band.

(d) DHS must, after coordination with OPM, establish qualification standards and requirements for each occupational cluster, occupational series, and/or band. DHS may use the qualification standards established by OPM or, after coordination with OPM, may establish different qualification standards. This paragraph does not...
waive or modify any DHS authority to establish qualification standards or requirements under 5 U.S.C. chapters 31 and 33 and OPM implementing regulations.

CLASSIFICATION PROCESS

§ 9701.221 Classification requirements.
(a) DHS must develop a methodology for describing and documenting the duties, qualifications, and other requirements of categories of jobs, and DHS must make such descriptions and documentation available to affected employees.
(b) An authorized agency official must—
(1) Assign occupational series to jobs consistent with occupational series definitions established by OPM under 5 U.S.C. 5105 and 5346 or by DHS, after coordination with OPM; and
(2) Apply the criteria and definitions required by § 9701.211 and § 9701.212 to assign jobs to an appropriate occupational cluster and band.
(c) DHS must establish procedures for classifying jobs and may make such inquiries or investigations of the duties, responsibilities, and qualification requirements of jobs as it considers necessary for the purpose of this section.
(d) Classification decisions become effective on the date designated by the authorized agency official who makes the decision.
(e) DHS must establish a plan to periodically review the accuracy of classification decisions.

§ 9701.222 Reconsideration of classification decisions.
(a) An individual employee may request that DHS or OPM reconsider the pay system, occupational cluster, occupational series, or band assigned to his or her current official position of record at any time.
(b) DHS will, after coordination with OPM, establish implementing directives for reviewing requests for reconsideration, including nonreversible issues, rights of representation, and the effective date of any corrective actions. OPM will, after consulting with DHS, establish separate policies and procedures for reviewing reconsideration requests.
(c) An employee may request OPM to review a DHS determination made under paragraph (a) of this section. If an employee does not request an OPM reconsideration decision, DHS’s classification determination is final and not subject to further review or appeal.
(d) OPM’s final determination on a request made under this section is not subject to further review or appeal.

TRANSITIONAL PROVISIONS

§ 9701.231 Conversion of positions and employees to the DHS classification system.
(a) This section describes the transitional provisions that apply when DHS positions and employees are converted to a classification system established under this subpart. Affected positions and employees may convert from the GS system, a prevailing rate system, the SL/ST system, or the SES system, as provided in § 9701.202. For the purpose of this section, the terms “convert,” “converted,” “converting,” and “conversion” refer to positions and employees that become covered by the classification system as a result of a coverage determination made under § 9701.102(b) and exclude employees who are reassigned or transferred from a noncovered position to a position already covered by the DHS system.
(b) DHS will issue implementing directives prescribing policies and procedures for converting the GS or prevailing rate grade of a position to a band and for converting SL/ST and SES positions to a band upon initial implementation of the DHS classification system. Such procedures must include provisions for converting an employee who is retaining a grade under 5 U.S.C. chapter 53, subchapter VI, immediately prior to conversion. As provided in § 9701.373, DHS must convert employees to the system without a reduction in their rate of pay (including basic pay and any applicable locality payment under 5 U.S.C. 5304, special rate under 5 U.S.C. 5305, locality rate supplement under § 9701.332, or special rate supplement under § 9701.333).
