citizens engaged in oil and gas development activities in areas within state and/or Federal waters in the U.S. Beaufort Sea specified in paragraph (a) of this section. The authorized activities as specified in a Letter of Authorization issued under §§216.106 and 216.208 include, but may not be limited to, site construction, including ice road and pipeline construction, vessel and helicopter activity; and oil production activities, including ice road construction, and vessel and helicopter activity, by exploration operations. 
(a)(1) Northstar Oil and Gas Development; and
(2) [Reserved]

(b) The incidental take by Level A harassment, Level B harassment or mortality of marine mammals under the activity identified in this section is limited to the following species: bowhead whale (Balaena mysticetus), gray whale (Eschrichtius robustus), beluga whale (Delphinapterus leucas), ringed seal (Phoca hispida), spotted seal (Phoca largha) and bearded seal (Erignathus barbatus).

§ 216.201 Effective dates.
Regulations in this subpart are effective from April 6, 2006 through April 6, 2011.

§ 216.202 Permissible methods of taking.
(a) Under Letters of Authorization issued pursuant to §§216.106 and 216.208, the Holder of the Letter of Authorization may incidentally, but not intentionally, take marine mammals by Level A and Level B harassment and mortality within the area described in §216.200(a), provided the activity is in compliance with all terms, conditions, and requirements of these regulations and the appropriate Letter of Authorization.

(b) The activities identified in §216.200 must be conducted in a manner that minimizes, to the greatest extent practicable, adverse impacts on marine mammals and their habitats. When conducting operations identified in §216.200, the mitigation measures contained in the Letter of Authorization issued under §§216.106 and 216.208 must be utilized.

§ 216.203 Prohibitions.
Notwithstanding takings contemplated in §216.200 and authorized by a Letter of Authorization issued under §§216.106 and 216.208, no person in connection with the activities described in §216.200 shall:
(a) Take any marine mammal not specified in §216.200(b);

(b) Take any marine mammal specified in §216.200(b) other than by incidental, unintentional Level A or Level B harassment or mortality;

(c) Take a marine mammal specified in §216.200(b) if such taking results in more than a negligible impact on the species or stocks of such marine mammal;

(d) Violate, or fail to comply with, the terms, conditions, and requirements of these regulations or a Letter of Authorization issued under §216.106.

§ 216.204 Mitigation.
The activity identified in §216.200(a) must be conducted in a manner that minimizes, to the greatest extent practicable, adverse impacts on marine mammals and their habitats. When conducting operations identified in §216.200, the mitigation measures contained in the Letter of Authorization issued under §§216.106 and 216.208 must be utilized.

§ 216.205 Measures to ensure availability of species for subsistence uses.
When applying for a Letter of Authorization pursuant to §216.207, or a renewal of a Letter of Authorization pursuant to §216.209, the applicant must submit a Plan of Cooperation that identifies what measures have been taken and/or will be taken to minimize any adverse effects on the availability of marine mammals for subsistence uses. A plan must include the following:

(a) A statement that the applicant has notified and met with the affected subsistence communities to discuss proposed activities and to resolve potential conflicts regarding timing and methods of operation;

(b) A description of what measures the applicant has taken and/or will take to ensure that oil development activities will not interfere with subsistence whaling or sealing;

(c) What plans the applicant has to continue to meet with the affected
§ 216.206 Requirements for monitoring and reporting.

(a) Holders of Letters of Authorization issued pursuant to §§216.106 and 216.208 for activities described in §216.200 are required to cooperate with the National Marine Fisheries Service, and any other Federal, state or local agency monitoring the impacts of the activity on marine mammals. Unless specified otherwise in the Letter of Authorization, the Holder of the Letter of Authorization must notify the Administrator, Alaska Region, National Marine Fisheries Service, or his/her designee, by letter or telephone, at least 2 weeks prior to initiating new activities potentially involving the taking of marine mammals.

(b) Holders of Letters of Authorization must designate qualified on-site individuals, approved in advance by the National Marine Fisheries Service, to conduct the mitigation, monitoring and reporting activities specified in the Letter of Authorization issued pursuant to §216.106 and §216.208.

(c) Holders of Letters of Authorization must conduct all monitoring and/or research required under the Letter of Authorization.

(d) Unless specified otherwise in the Letter of Authorization, the Holder of that Letter of Authorization must submit an annual report to the Director, Office of Protected Resources, National Marine Fisheries Service, no later than March 31 of the year following the conclusion of the previous open water monitoring season. This report must contain all information required by the Letter of Authorization.

(e) A final annual comprehensive report must be submitted within the time period specified in the governing Letter of Authorization.

(f) A final comprehensive report on all marine mammal monitoring and research conducted during the period of these regulations must be submitted to the Director, Office of Protected Resources, National Marine Fisheries Service at least 240 days prior to expiration of these regulations or 240 days after the expiration of these regulations if renewal of the regulations will not be requested.

§ 216.207 Applications for Letters of Authorization.

(a) To incidentally take bowhead whales and other marine mammals pursuant to these regulations, the U.S. citizen (see definition at §216.103) conducting the activity identified in §216.200 must apply for and obtain either an initial Letter of Authorization in accordance with §§216.106 and 216.208, or a renewal under §216.209.

(b) The application for an initial Letter of Authorization must be submitted to the National Marine Fisheries Service at least 180 days before the activity is scheduled to begin.

(c) Applications for initial Letters of Authorization must include all information items identified in §216.104(a).

(d) NMFS will review an application for an initial Letter of Authorization in accordance with §216.104(b) and, if adequate and complete, will publish a notice of receipt of a request for incidental taking and a proposed amendment to §216.200(a). In conjunction with amending §216.200(a), the National Marine Fisheries Service will provide for public comment on the application for an initial Letter of Authorization.

(e) Upon receipt of a complete application for an initial Letter of Authorization, and at its discretion, the National Marine Fisheries Service may submit the monitoring plan to members of a peer review panel for review and/or schedule a workshop to review the plan. Unless specified in the Letter of Authorization, the applicant must submit a final monitoring plan to the Assistant Administrator prior to the issuance of an initial Letter of Authorization.

§ 216.208 Letters of Authorization.

(a) A Letter of Authorization, unless suspended or revoked, will be valid for a period of time not to exceed the period of validity of this subpart, but must be renewed annually subject to annual renewal conditions in §216.209.

(b) Each Letter of Authorization will set forth:

(1) Permissible methods of incidental taking;
