

§ 300.182

50 CFR Ch. III (10–1–10 Edition)

Shark fin, for purposes of this subpart, means any fin removed from a shark, which is an animal of the Linnaean taxonomic superorder Selachimorpha, subclass Elasmobranchii, class Chondrichthyes.

Southern bluefin tuna means the species *Thunnus maccoyii* found in any ocean area.

Statistical document means an ICCAT, IATTC, IOTC, or CCSBT statistical document, or a statistical document issued by a nation to comply with such statistical document programs.

Statistical document program means either the ICCAT, IOTC, IATTC or CCSBT statistical document program.

Swordfish means the species *Xiphias gladius* that is found in any ocean area.

Tag means either a dealer tag or a BCD tag.

Trade permit means the HMS international trade permit under §300.182.

[61 FR 35550, July 5, 1996, as amended at 73 FR 31385, June 2, 2008]

§ 300.182 HMS international trade permit.

(a) *General.* An importer, entering for consumption fish or fish products regulated under this subpart from any ocean area into the United States, or an exporter exporting or re-exporting such product, must possess a valid trade permit issued under this section. Importation of fish or fish products regulated under this subpart by non-resident corporations is restricted to those entities authorized under 19 CFR 141.18. A resident agent or resident corporate surety provider, as specified under 19 CFR 141.18, must possess a valid trade permit when acting on behalf of a nonresident corporation when entering for consumption, exporting, or re-exporting fish or fish products regulated under this subpart from any ocean area.

(b) *Application.* A person must apply for a permit in writing on an appropriate form obtained from NMFS. The application must be completed, signed by the applicant, and submitted with required supporting documents, at least 30 days before the date on which the applicant wants to have the permit made effective. Application forms and instructions for their completion are available from NMFS.

(c) *Issuance.* NMFS will notify the applicant of any deficiency in the application, including failure to provide information or reports required under this subpart. If the applicant fails to correct the deficiency within 30 days following the date of notification, the application will be considered abandoned.

(d) *Duration.* Any permit issued under this section is valid for the period specified on it, unless suspended or revoked.

(e) *Alteration.* Any permit that is substantially altered, erased, or mutilated is invalid.

(f) *Replacement.* NMFS may issue replacement permits. An application for a replacement permit is not considered a new application. An appropriate fee, consistent with paragraph (j) of this section, may be charged for issuance of a replacement permit.

(g) *Transfer.* A permit issued under this section is not transferable or assignable; it is valid only for the permit holder to whom it is issued.

(h) *Inspection.* The permit holder must keep the permit issued under this section at his/her principal place of business. The permit must be displayed for inspection upon request of any authorized officer, or any employee of NMFS designated by NMFS for such purpose.

(i) *Sanctions.* The Assistant Administrator may suspend, revoke, modify, or deny a permit issued or sought under this section. Procedures governing permit sanctions and denials are found at subpart D of 15 CFR part 904.

(j) *Fees.* NMFS may charge a fee to recover the administrative expenses of permit issuance. The amount of the fee is calculated, at least annually, in accordance with the procedures of the NOAA Finance Handbook, available from NMFS, for determining administrative costs of each special product or service. The fee may not exceed such costs and is specified on each application form. The appropriate fee must accompany each application. Failure to pay the fee will preclude issuance of the permit. Payment by a commercial instrument later determined to be insufficiently funded shall invalidate any permit.

Int'l. Fishing and Related Activities

§ 300.183

(k) *Change in application information.* Within 30 days after any change in the information contained in an application submitted under this section, the permit holder must report the change to NMFS in writing. If a change in permit information is not reported within 30 days, the permit is void as of the 31st day after such change.

(l) *Renewal.* Persons must apply annually for a trade permit issued under this section. A renewal application must be submitted to NMFS, at an address designated by NMFS, at least 30 days before the permit expiration date to avoid a lapse of permitted status. NMFS will renew a permit provided that: the application for the requested permit is complete; all reports required under the Magnuson-Stevens Act, ATCA, and the Tuna Conventions Act of 1950 have been submitted, including those required under §§300.183, 300.185, 300.186, and 300.187 and §635.5 of this title; and the applicant is not subject to a permit sanction or denial under paragraph (i) of this section.

[69 FR 67277, Nov. 17, 2004, as amended at 71 FR 58163, Oct. 2, 2006; 73 FR 31385, June 2, 2008]

§ 300.183 Permit holder reporting and recordkeeping requirements.

(a) *Biweekly reports.* Any person required to obtain a trade permit under §300.182 must submit to NMFS, on forms supplied by NMFS, a biweekly report of entries for consumption, exports and re-exports of fish and fish products regulated under this subpart except shark fins.

(1) The report required to be submitted under this paragraph (a) must be received within 10 days after the end of each biweekly reporting period in which fish or fish products regulated under this subpart except shark fins were entered for consumption, exported, or re-exported. The bi-weekly reporting periods are the first day to the 15th day of each month, and the 16th day to the last day of each month.

(2) Each report must specify accurately and completely the requested information for each consignment of fish or fish products regulated under this subpart, except shark fins, that is entered for consumption, exported, or re-exported.

(3) A biweekly report is not required for export consignments of bluefin tuna when the information required on the biweekly report has been previously supplied on a biweekly report submitted under §635.5(b)(2)(i)(B) of this title, provided the person required to obtain a trade permit under §300.182 retains, at his/her principal place of business for a period of 2 years from the date on which each report was submitted to NMFS, a copy of the biweekly report which includes the required information and is submitted under §635.5(b)(2)(i)(B) of this title.

(b) *Recordkeeping.* Any person required to obtain a trade permit under §300.182 must retain, at his/her principal place of business, a copy of each biweekly report and all supporting records for a period of 2 years from the date on which each report was submitted to NMFS.

(c) *Other requirements and recordkeeping requirements.* Any person required to obtain a trade permit under §300.182 is also subject to the reporting and recordkeeping requirements identified in §300.185.

(d) *Inspection.* Any person authorized to carry out the enforcement activities under the regulations in this subpart (authorized person) has the authority, without warrant or other process, to inspect, at any reasonable time: fish or fish products regulated under this subpart, biweekly reports, statistical documents, catch documents, re-export certificates, relevant sales receipts, import and export documentation, and any other records or reports made, retained, or submitted pursuant to this subpart. A permit holder must allow NMFS or an authorized person to inspect and copy, for any fish or fish products regulated under this subpart, any import and export documentation and any reports required under this subpart, and the records, in any form, on which the completed reports are based, wherever they exist. Any agent of a person issued a trade permit under this part, or anyone responsible for importing, exporting, storing, packing, or selling fish or fish products regulated under this subpart, shall be subject to the inspection provisions of this section.
