(2) Document and signature images must be stored in a compressed Tagged Image Format (TIF), or a standard that is interoperable with the TIF standard.

(3) All images must be retrievable by the DMV if properly requested by law enforcement.

(c) Upon request by an applicant, a State shall record and retain the applicant’s name, date of birth, certificate numbers, date filed, and issuing agency in lieu of an image or copy of the applicant’s birth certificate, where such procedures are required by State law.

§ 37.33 DMV databases.

(a) States must maintain a State motor vehicle database that contains, at a minimum—

(1) All data fields printed on driver’s licenses and identification cards issued by the State, individual serial numbers of the card, and SSN;

(2) A record of the full legal name and recorded name established under §37.11(c)(2) as applicable, without truncation;

(3) All additional data fields included in the MRZ but not printed on the driver’s license or identification card; and

(4) Motor vehicle driver’s histories, including motor vehicle violations, suspensions, and points on driver’s licenses.

(b) States must protect the security of personally identifiable information maintained at DMV locations involved in the enrollment, issuance, manufacture and/or production of cards issued under the REAL ID Act, including, but not limited to, providing the following protections:

(i) Reasonable administrative, technical, and physical safeguards to protect the security, confidentiality, and integrity of the personally identifiable information collected, stored, and maintained in DMV records and information systems for purposes of complying with the REAL ID Act. These safeguards must include procedures to prevent unauthorized access, use, or dissemination of applicant information and images of source documents retained pursuant to the Act and standards and procedures for document retention and destruction.

(ii) A privacy policy regarding the personally identifiable information collected and maintained by the DMV pursuant to the REAL ID Act.

(iii) Any release or use of personal information collected and maintained by the DMV pursuant to the REAL ID Act must comply with the requirements of the Driver’s Privacy Protection Act, 18 U.S.C. 2721 et seq. State plans may go beyond these minimum privacy requirements to provide greater protection, and such protections are not subject to review by DHS for purposes of determining compliance with this Part.

(3) Document and physical security features for the card, consistent with the requirements of §37.15, including a description of the State’s use of biometrics, and the technical standard utilized, if any;

(4) Access control, including the following:

(i) Employee identification and credentialing, including access badges.

(ii) Employee background checks, in accordance with §37.45 of this part.

(iii) Controlled access systems.

(5) Periodic training requirements in—
