§ 1205.10  Act.

The term Act means the Cotton Research and Promotion Act, as amended [7 U.S.C 2101–2118; Public Law 89–502, 80 Stat 279, as amended].

§ 1205.11  Administrator.

The term Administrator means the Administrator of the Agricultural Marketing Service, or any officer or employee of USDA to whom authority has been delegated to act in the Administrator’s stead.

§ 1205.12  Cotton.

The term cotton means all Upland cotton harvested in the United States and all imports of Upland cotton, including the Upland cotton content of products derived thereof. The term cotton does not include imported cotton for which the assessment is less than the value of $2.00 per line item entry as established by regulations.

§ 1205.13  Upland cotton.

The term Upland cotton means all cultivated varieties of the species Gossypium hirsutum L.
