(b) The Board shall be composed of cattle producers and importers appointed by the Secretary from nominations submitted pursuant to the Act and regulations of this Part. A producer may only be nominated to represent the unit in which that producer is a resident.

(c) At least every three (3) years, and not more than every two (2) years, the Board shall review the geographic distribution of cattle inventories throughout the United States and the volume of imported cattle, beef, and beef products and, if warranted, shall reapportion units and/or modify the number of Board members from units in order to best reflect the geographic distribution of cattle production volume in the United States and the volume of imported cattle, beef, or beef products into the United States.

(d) The Board may recommend to the Secretary a modification in the number of cattle per unit necessary for representation on the Board.

(e) The following formula will be used to determine the number of Board members who shall serve on the Board for each unit:

(1) Each geographic unit or State that includes a total cattle inventory equal to or greater than five hundred thousand (500,000) head of cattle shall be entitled to one representative on the Board;

(2) States which do not have total cattle inventories equal to or greater than five hundred thousand (500,000) head of cattle shall be grouped, to the extent practicable, into geographically contiguous units each of which have a combined total inventory of not less than 500,000 head of cattle and such unit(s) shall be entitled to at least one representative on the Board;

(3) Importers shall be represented by a single unit, with the number of Board members representing such unit based upon a conversion of the total volume of imported cattle, beef or beef products into live animal equivalencies;

(4) Each unit shall be entitled to representation by an additional Board member for each one million (1,000,000) head of cattle within the unit which exceeds the initial five hundred thousand (500,000) head of cattle within the unit qualifying such unit for representation.

(f) In determining the volume of cattle within the units, the Board and the Secretary shall utilize the information received by the Board pursuant to §§1260.201 and 1260.202 industry data and data published by the Department.

(b) Each member shall continue to serve until a successor is appointed by the Secretary.

(c) No member shall serve more than two consecutive 3-year terms in such capacity.

§ 1260.143 Nominations.

All nominations authorized under this section shall be made in the following manner:

(a) Nominations shall be obtained by the Secretary from eligible organizations. An eligible organization shall only submit nominations for positions on the Board representing units in which such eligible organization can establish that it is certified as an eligible organization to submit nominations for that unit. If the Secretary determines that a unit is not represented by an eligible organization, then the Secretary may solicit nominations from organizations, and producers residing in that unit.

(b) Nominations for representation of the importer unit may be submitted by—

(c) After the establishment of the initial Board, the Department shall announce when a vacancy does or will exist. Nominations for subsequent Board members shall be submitted to the Secretary not less than sixty (60) days prior to the expiration of the terms of the members whose terms are expiring, in the manner as described in this section. In the case of vacancies due to reasons other than the expiration of a term of office, successor Board members shall be appointed pursuant to § 1260.146.

§ 1260.146 Vacancies.

To fill any vacancy occasioned by the death, removal, resignation, or disqualification of any member of the Board, the Secretary shall request that nominations for a successor for the vacancy be submitted by the eligible organization(s) representing producers or importers of the unit represented by the vacancy.
