§ 1400.105 Attribution of payments.

(a) A payment made directly to a person or legal entity will be combined with the pro rata interest of the person or legal entity in payments received by a legal entity in which the person or legal entity has a direct or indirect ownership interest, unless the payments of the legal entity have been reduced by the pro rata share of the person or legal entity.

(b) A payment made to a legal entity will be attributed to those persons who have a direct and indirect ownership interest in the legal entity, unless the payment of the legal entity has been reduced by the pro rata share of the person.

(c) Attribution of payments made to legal entities will be tracked through four levels of ownership in legal entities as follows:

1. First level of ownership—any payment made to a legal entity that is owned in whole or in part by a person will be attributed to the person in an amount that represents the direct ownership interest in the first-tier or payment legal entity;

2. Second level of ownership—any payment made to a first-tier legal entity that is owned in whole or in part by another legal entity (referred to as a second-tier legal entity) will be attributed to the second-tier legal entity in proportion to the ownership of the second-tier legal entity in the first-tier legal entity;

3. Third level of ownership—except as provided in paragraph (2)(ii) of this section, any payments made to a legal entity at the third and fourth tiers of ownership will be attributed in the same manner as specified in paragraph (2)(i) of this section.

(d) For purposes of administering direct attribution, and to determine a person’s or legal entity’s ownership interest in a legal entity that receives a payment subject to limitation: the ownership interest on June 1 of each year will be used.

(e) Direct attribution of payments is not applicable to a cooperative association of producers with respect to commodities produced by the members of the association that are marketed by the association on behalf of the members of the association. The payments will instead be attributed to the producers as persons.

§ 1400.106 Payment limits.

(b) Payments made to a joint venture or general partnership cannot exceed, for each payment specified in subpart A of this part, the amount determined by multiplying the maximum payment amount specified in subpart A of this part by the number of persons and legal entities, other than joint ventures and general partnerships, that comprise the ownership of the joint venture or general partnership.

(c) Payments made to a legal entity will be reduced proportionately by an amount that represents the direct or indirect ownership in the legal entity by any person or legal entity that has otherwise reached the applicable maximum payment limitation.
