§§ 1410.13–1410.19

(1) Has merchantable timber (timber on land on which the average tree has a trunk diameter of at least six inches measured at a point no less than four and one-half feet above the ground); and

(2) Has experienced a loss of 35 percent or more of merchantable timber in a 2005 calendar year hurricane-affected county due to 2005 hurricanes.

(c) The provisions of § 1410.4 do not apply to this section.

(d) Any overall acreage enrollment limit imposed on CRP shall not apply to acreage enrolled under this section.

(e) All participants subject to a CRP contract entered into pursuant to this section must agree:

(1) To restore the land, through site preparation and planting of, to the maximum extent practicable, native species or similar species as existing prior to hurricane damages as may be specified in the contract, and comply with other requirements as may be specified in the contract;

(2) To establish temporary vegetative cover; and

(3) That the contract term shall be for a period of 10 years, during which time standing timber may not be harvested from the enrolled land except as may be approved by CCC in the conservation plan as part of the normal maintenance of the forest land.

(f) Offers for contracts under this section shall be submitted under continuous signup provisions as authorized in § 1410.30.

(g) In evaluating contract offers to which this section applies, different factors, as determined by CCC, may be considered for priority purposes. These include but are not limited to soil erosion prevention, water quality improvement, wildlife habitat restoration, and mitigation of economic loss.

(h) In return for a contract entered into under this paragraph, a participant may opt for:

(1) Annual rental payments authorized by § 1410.42, except that the payment rate shall be equal to:

(i) The average rental rate for CRP contracts in the county in which the land is actually located; or

(ii) In the case where no CRP contracts are enrolled in a county, the average rental rate will be the CRP rate applicable to a nearby similarly-situated county.

(2) In lieu of the annual payments provided for in paragraph (h)(1) of this section, lump sum payment equal to the present value of the total amount of annual rental payments that would otherwise be paid under paragraph (h)(1) of this section.

(i) Cost-share assistance authorized under § 1410.40 may be reduced by the value of salvaged timber or timber products which are removed to prepare the site for replanting.

(j) The provisions of § 1410.7(c), which concern enrollment limits, do not apply to contracts to which this section applies.

(k) To avoid duplicate payments, participants under this section are not eligible to receive EFRCRP funding for land on which the participant has or will receive funding under any other program that covers the same expenses.

(1) All other requirements of this part shall apply to enrollments under this section.

§§ 1410.13–1410.19 [Reserved]

§ 1410.20 Obligations of participant.

(a) All participants subject to a CRP contract must agree to:

(1) Carry out the terms and conditions of such CRP contract;

(2) Implement the conservation plan, which is part of such contract, in accordance with the schedule of dates included in such conservation plan unless the Deputy Administrator determines that the participant cannot fully implement the conservation plan for reasons beyond the participant’s control, and CCC agrees to a modified plan.

(h) In return for a contract entered into under this paragraph, a participant may opt for:

(1) Annual rental payments authorized by § 1410.42, except that the payment rate shall be equal to:

(i) The average rental rate for CRP contracts in the county in which the land is actually located; or

(ii) In the case where no CRP contracts are enrolled in a county, the average rental rate will be the CRP rate applicable to a nearby similarly-situated county.

(2) In lieu of the annual payments provided for in paragraph (h)(1) of this section, lump sum payment equal to the present value of the total amount of annual rental payments that would otherwise be paid under paragraph (h)(1) of this section.

(i) Cost-share assistance authorized under § 1410.40 may be reduced by the value of salvaged timber or timber products which are removed to prepare the site for replanting.

(j) The provisions of § 1410.7(c), which concern enrollment limits, do not apply to contracts to which this section applies.

(k) To avoid duplicate payments, participants under this section are not eligible to receive EFRCRP funding for land on which the participant has or will receive funding under any other program that covers the same expenses.

(1) All other requirements of this part shall apply to enrollments under this section.

Commodity Credit Corporation, USDA

§ 1410.21 Obligations of the Commodity Credit Corporation.

(a) Share up to 50 percent of the cost with participants of establishing eligible practices specified in the conservation plan at the levels and rates of cost-sharing determined in accordance with the provisions of this part; and

(b) Pay to the participant for a period of years not in excess of the contract period an annual rental payment, including applicable incentive payments, in such amounts as may be specified in the CRP contract.

§ 1410.22 CRP conservation plan.

(a) The producer shall obtain a CRP conservation plan that complies with CCC guidelines and is approved by the conservation district for the land to be entered in the CRP. If the conservation district declines to review the CRP conservation plan, or disapproves the conservation plan, such approval may be waived by CCC.

(b) The practices and management activities included in the CRP conservation plan and agreed to by the participant must cost-effectively reduce erosion necessary to maintain the productive capability of the soil, improve water quality, protect wildlife or wetlands, protect a public well head, or achieve other environmental benefits as applicable. The producer must undertake management activities on the land as needed throughout the term of the CRP contract to implement the conservation plan.

(c) If applicable, a tree planting plan shall be developed and included in the CRP conservation plan. Such tree planting plan may allow up to 3 years to complete plantings if 10 or more acres of hardwood trees are to be established.

(d) If applicable, the CRP conservation plan shall address the goals included in the conservation priority area designation authorized under §1410.8.

(e) All CRP conservation plans and revisions of such plans shall be subject to the approval of CCC.

(f) Mid-cover management shall be conducted according to an approved conservation plan as part of the CRP contractual obligation such as light...
