Commodity Credit Corporation, USDA

§ 1463.109 Contracts.
(a) CCC will enter into a contract with eligible tobacco quota holders and producers. To the extent a person has filed such a contract with CCC, but a final administrative decision has not been made with respect to such person’s status as an eligible quota holder or tobacco producer prior to the final enrollment date, CCC will enter into such a contract only upon the issuance of a final determination of eligibility and the passing of any deadline for any administrative appeal under parts 780 and 11 of this title.
(b)(1) If contracts or other written claims are provided to CCC by June 3, 2005, by two or more persons with respect to the same tobacco BQL used to calculate a program payment, CCC will not issue such payment until CCC has determined the eligibility status of each claimant.
(2) If CCC has made a payment to a person after June 3, 2005, a person who is not an eligible holder or producer, as identified on FSA records, for such farm, or claims to be an eligible tobacco holder or producer and submits a contract or other written claim with CCC for the same quota used to issue the initial payment, CCC will issue no further payments for such farm until CCC has determined the eligibility status of each person who has submitted a contract or other written claim for such farm and the occurrence of the repayment of the initial payment made by CCC.

§ 1463.110 Misrepresentation and scheme or device.
A person must refund all payments received on all contracts entered into under this subpart, plus interest as determined in accordance with part 1403 of this chapter, and pay to CCC liquidated damages as specified in the contract, if CCC determines the person has:

(a) Erroneously represented any fact affecting a program determination made in accordance with this subpart;
(b) Adopted any scheme or device that tends to defeat the purpose of the program; or
(c) Made any fraudulent representation affecting a program determination made in accordance with this subpart.

§ 1463.111 Offsets and assignments.
(a) TTTP payments made to any person under this subpart shall be made without regard to questions of title under State law and without regard to any claim or lien against the tobacco quota, tobacco marketing allotment, or the farm for which a tobacco quota had been established under part 723 of this title by any creditor or any other person.
(b) The provisions of part 1404 of this title shall not apply to this part.
(c) A quota holder or tobacco producer who is eligible to receive a payment under this part may assign a payment, or a portion thereof, to be made under this part to another person using the correct CCC form. Such an assignment will become effective upon approval by CCC. In order to provide for the orderly issuance of payments under this part, CCC may limit, in its sole discretion, the number of assignments that may be made with respect to a contract.
(d)(1) CCC will establish, after consultation with the Department of the Treasury, a discount rate that reflects the value of any remaining payments due under this part if such payments were to be made as a lump sum payment in the current year. Unless there is consideration for such contract in an amount equal to or greater than the discounted value of the payments, subject to the assignment, based on the discount rate established for such payments by CCC, CCC will not approve any assignment other than to:
   (i) A family member; or
   (ii) A party who had purchased a tobacco marketing quota prior to October 22, 2004 and had placed the quota on a farm with the owner’s consent prior to that date in the manner that had been prescribed by FSA under part 723 of this chapter.
