(2) Provide NRCS with written evidence of ownership or legal control for the life of the proposed contract, including the O&M agreement. An exception may be made by the Chief:

(i) In the case of land allotted by the BIA, Tribal land, or other instances in which the Chief determines that there is sufficient assurance of control; or

(ii) If the applicant is a tenant of the land involved in agricultural production, the applicant will provide NRCS with the written concurrence of the landowner in order to apply a structural practice(s);

(3) Submit an application form NRCS–CPA–1200;

(4) Agree to provide all information to NRCS determined to be necessary to assess the merits of a proposed project and to monitor contract compliance;

(5) Provide a list of all members of the legal entity and embedded entities along with members’ tax identification numbers and percentage interest in the entity. Where applicable, American Indians, Alaska Natives, and Pacific Islanders may use another unique identification number for each individual eligible for payment;

(6) With regard to contracts with Indian Tribes or Indians represented by the BIA, payments if a BIA or Tribal official certify in writing that no one individual, directly or indirectly, will receive more than the payment limitation. The Tribal entity must also provide, annually, a listing of individuals and payments made by social security or tax identification number or other unique identification number, during the previous year for calculation of overall payment limitations. The BIA or Tribal entity must also provide, at the request of NRCS, proof of payments made to the person or legal entity that incurred costs or sacrificed income related to conservation practice implementation.

(7) Supply other information, as required by NRCS, to determine payment eligibility as established by 7 CFR part 1400, Adjusted Gross Income;

(8) With regard to any participant that utilizes a unique identification number as an alternative to a tax identification number, the participant will utilize only that identifier for any and all other AMA contracts to which the participant is a party. Violators will be considered to have provided fraudulent representation and be subject to full penalties of §1465.25;

(9) States, political subdivisions, and entities thereof will not be persons eligible for payment. Any cooperative association of producers that markets commodities for producers will not be considered to be a person eligible for payment;

(10) Be in compliance with the terms of all other USDA-administered conservation program agreements to which the participant is a party; and

(11) Develop and agree to comply with an APO and O&M agreement, as described in §1465.3.

(d) Land may only be considered for enrollment in AMA if NRCS determines that the land is:

1. Privately owned land;
2. Publicly owned land where:
   (i) The land is a working component of the participant’s agricultural and forestry operation; and
3. The land is Indian land.

§ 1465.6 AMA plan of operations.

(a) All conservation practices in the APO must be approved by NRCS and developed and carried out in accordance with the applicable NRCS technical guidance.

(b) The participant is responsible for implementing the APO.

(c) The APO must include:

1. A description of the participant’s specific conservation and environmental objectives to be achieved;
2. To the extent practicable, the quantitative or qualitative goals for achieving the participant’s conservation and environmental objectives;
3. A description of one or more conservation practices in the conservation system, including conservation planning, design, or installation activities to be implemented to achieve the conservation and environmental objectives;
