FAS reserves the right to have direct input and control over design, scope, and methodology of any such evaluation, including direct contact with and provision of guidance to the independent evaluator.

(d) A Cooperator shall complete at least one program evaluation each year. Actual scope and timing of the program evaluation shall be determined by the Cooperator and the Division Director and specified in the Cooperator’s application approval letter. A program evaluation shall contain:

2. The activities covered by the evaluation;
3. A concise statement of the constraint(s) and opportunities and the goals specified in the application;
