

§ 1493.60

7 CFR Ch. XIV (1-1-10 Edition)

the transaction provided, financed, or guaranteed in connection with the transaction, and that the transaction complies with applicable United States law;

(c) If the agricultural commodity is vegetable oil or a vegetable oil product, that none of the agricultural commodity or product has been or will be used as a basis for a claim of a refund, as drawback, pursuant to section 313 of the Tariff Act of 1930, 19 U.S.C. 1313, of any duty, tax or fee imposed under Federal law on an imported commodity or product;

(d) No person or selling agency has been employed or retained to solicit or secure the payment guarantee, and that there is no agreement or understanding for a commission, percentage, brokerage, or contingent fee, except in the case of bona fide employees or bona fide established commercial or selling agencies maintained by the exporter for the purpose of securing business; and

(e) The information provided pursuant to §1493.30 has not changed, the exporter still meets all of the qualification requirements of §1493.30, and the exporter will immediately notify CCC if there is a change of circumstances which would cause it to fail to meet such requirements. If the exporter breaches or violates these certifications with respect to a GSM-102 or GSM-103 payment guarantee, CCC will have the right, notwithstanding any other rights provided under this subpart, to annul guarantee coverage for any commodities not yet exported and/or to proceed against the exporter.

[59 FR 52876, Oct. 19, 1994, as amended at 62 FR 24561, May 6, 1997]

§ 1493.60 Payment guarantee.

(a) *CCC's obligation.* The payment guarantee will provide that CCC agrees to pay the exporter or the exporter's assignee an amount not to exceed the guaranteed value, plus eligible interest, in the event that the foreign bank fails to pay under the foreign bank letter of credit or the related obligation. Payment by CCC will be in U.S. dollars.

(b) *Period of guarantee coverage.* The payment guarantee will apply to the period beginning either on the date(s)

of export(s) or on the date when interest begins to accrue, whichever is earlier, and will continue during the credit term specified in the payment guarantee or amendments thereto. However, the payment guarantee becomes effective on the date(s) of export(s) of the agricultural commodities or products thereof specified in the exporter's application for a payment guarantee.

(c) *Terms of the CCC payment guarantee.* The terms of CCC's coverage will be set forth in the payment guarantee, as approved by CCC, and will include the provisions of this subpart, which may be supplemented by any Program Announcements and/or Notices to Participants in effect at the time the payment guarantee is approved by CCC.

(d) *Final date to export.* The final date to export shown on the payment guarantee will be one month, as determined by CCC, after the contractual deadline for shipping.

(e) *Reserve coverage for loading tolerances.* The exporter may apply for a payment guarantee and, if coverage is available, pay the guarantee fee, based at least on, the amount of the lower loading tolerance of the export sales contract; however, the exporter may also request that CCC reserve additional guarantee coverage to accommodate up to the amount of the upward loading tolerance specified in the export sales contract. If such additional guarantee coverage is available at the time of application and CCC determines to make such reservation, it will so indicate to the exporter. In the event that the exporter ships a quantity greater than the amount on which the guarantee fee was paid (*i.e.*, lower loading tolerance), it may obtain the additional coverage from CCC, up to the amount of the upward loading tolerance, by filing for an amendment to the payment guarantee, and by paying the additional amount of fee applicable. If such amendment to the payment guarantee is not filed with CCC by the exporter within 30 days after the date of the last export against the sales contract, CCC may determine not to reserve the coverage originally set aside for the exporter.

(f) *Ineligible exports.* Commodities with a date of export prior to the date

of receipt by CCC of the exporter's telephonic or written application for a payment guarantee, or with a date of export made after the final date for export shown on the payment guarantee or any amendments thereof, are ineligible for GSM-102 or GSM-103 guarantee coverage, except where it is determined by the GSM to be in the best interests of CCC to provide guarantee coverage on such commodities.

(g) *Foreign agricultural component.* CCC may approve payment guarantees under this subpart only in connection with sales of United States agricultural commodities as defined in §1493.20(z). CCC may not provide guarantee coverage under this subpart on credit extended for the value of any foreign agricultural component.

(h) *Additional requirements.* The payment guarantee may contain such additional terms, conditions, and limitations as deemed necessary or desirable by the GSM. Such additional terms, conditions or qualifications, as stated in the payment guarantee are binding on the exporter or the exporter's assignee.

(i) *Amendments.* A request for an amendment of a payment guarantee may be submitted only by the exporter (with the concurrence of the assignee, if any). CCC will consider such a request only if the amendment sought is consistent with this subpart and any applicable Program Announcements and Notices to Participants. Amendments may include, but will not be limited to, a change in the credit period and an extension of time to export. Any amendment to the payment guarantee, particularly those that result in an increase in CCC's liability under the payment guarantee, may result in an increase in the guarantee fee. (Technical corrections or corrections of a clerical error which may be submitted by the exporter or the exporter's assignee are not viewed as amendments.)

§ 1493.70 Guarantee rates and fees.

(a) *Guarantee fee rates.* The payment guarantee fee rates will be based upon the length of the payment terms provided for in the export sale contract, the degree of risk that CCC assumes, as determined by CCC, and any other factors which CCC determines appropriate

for consideration. A current schedule of the guarantee fee rates charged by CCC under GSM-102 and GSM-103 will be available upon request from the FAS/USDA office specified in the Contacts P/R.

(b) *Calculation of fee.* The guarantee fee will be computed by multiplying the guaranteed value by the guarantee fee rate.

(c) *Payment of fee.* The exporter shall remit, with his written application, the full amount of the guarantee fee. Applications will not be approved until the guarantee fee has been received by CCC. The exporter's check for the guarantee fee shall be made payable to CCC and mailed or delivered by courier to the office specified in the Contacts P/R.

(d) *Refunds of fee.* Guarantee fees paid in connection with approved applications will ordinarily not be refundable. CCC's approval of the application will be final and refund of the guarantee fee will not be made after approval unless the GSM determines that such refund will be in the best interest of CCC. If the application for a payment guarantee is not approved or is approved only for a part of the guarantee coverage requested, a full or pro rata refund of the fee remittance will be made.

§ 1493.80 Evidence of export.

(a) *Report of export.* The exporter is required to provide CCC an evidence of export report for each shipment made under the payment guarantee. This report must include the following:

- (1) Payment guarantee number
- (2) Date of export
- (3) Exporter's sale number
- (4) Exported value
- (5) Quantity
- (6) A full description of the commodity exported
- (7) Unit sales price received for the commodity exported and the basis (e.g., FOB, CFR, CIF). Where the unit sales price at export differs from the unit sales price indicated in the exporter's application for a payment guarantee, the exporter is also required to submit a statement explaining the reason for the difference.
- (8) Description and value of discounts and allowances, if any.
