

§ 1499.7

7 CFR Ch. XIV (1-1-10 Edition)

(d) If FAS has agreed to pay the costs of transporting, storing, and distributing the donated commodities from the designated port or point of entry, the participant will be reimbursed in the manner set forth in the agreement.

(e) If the agreement authorizes the payment of CCC-provided funds, CCC will pay these funds to the participant on a reimbursement for expenses basis, except as provided in paragraph (f)(1) of this section. The participant shall request the payment of CCC-provided funds to reimburse it for authorized expenses in the manner set forth in the agreement.

(f)(1) A participant may request an advance of the amount of funds specified in the agreement. FAS will not approve any request for an advance if:

(i) It is received earlier than 60 days after the date of a previous advance made in connection with the same agreement; or

(ii) Any required reports, as specified in §1499.13 and in the agreement, are more than six months in arrears.

(2) Except as may otherwise be provided in the agreement, the participant shall deposit and maintain in a bank account located in the United States all funds advanced by CCC. The account shall be interest-bearing, unless the exceptions in §3019.22(k) of this title apply, or FAS determines that this requirement would constitute an undue burden. The participant shall remit semi-annually to CCC any interest earned on the advanced funds. The participant shall, no later than 10 days after the end of each calendar quarter, submit a financial statement to FAS accounting for all funds advanced and all interest earned.

(3) The participant shall return to CCC any funds that are advanced by CCC if such funds have not been obligated as of the 180th day after the advance was made. Such funds and interest shall be transferred to FAS within 30 days of such date.

(g) If a participant is required to pay funds to CCC in connection with an agreement, the participant shall make such payment in U.S. dollars, unless otherwise approved in advance by FAS.

(h) Suppliers of commodities shall seek payment according to the purchase contract with CCC.

§ 1499.7 Transportation of goods.

(a) Shipments of donated commodities are subject to the requirements of 46 U.S.C. 55305 and 55314, regarding carriage on U.S.-flag vessels.

(b) Transportation of donated commodities and other goods such as bags that may be provided by CCC under FFPr will be acquired under a specific agreement in the manner determined by FAS. Such transportation will be acquired by:

(1) CCC in accordance with the Federal Acquisition Regulations (FAR), USDA's procurement regulations set forth in chapter 4 of title 48 of the Code of Federal Regulations (the AGAR), and directives issued by the Director, Office of Procurement and Property Management, USDA; or

(2) The participant, with reimbursement by CCC, in the manner specified in the agreement.

(c) A participant that acquires transportation in accordance with paragraph (b)(2) of this section may only use the services of a freight forwarder that is licensed by the FMC and that would not have a conflict of interest in carrying out the freight forwarder duties. To assist FAS in determining whether there is a potential conflict of interest, the participant must submit to FAS a certification indicating that the freight forwarder:

(1) Is not engaged in, and will not engage in, supplying commodities or furnishing ocean transportation or ocean transportation-related services for commodities provided under any FFPr agreement to which the participant is a party; and

(2) Is not affiliated with the participant and has not made arrangements to give or receive any payment, kick-back, or illegal benefit in connection with its selection as an agent of the participant.

(d) A participant that is responsible for transportation under paragraph (b)(2) of this section shall declare in the transportation contract the point at which the ocean carrier will take custody of commodities to be transported.
