§ 1709.4 Allocation of available funds among programs.

The Administrator, in his sole discretion, shall allocate available funds among the programs administered under this part and determine the grant application periods under each program. In making fund allocations for each fiscal year, the Administrator may consider the amount of available funds, the nature and amount of unfunded grant applications and prior awards, Agency resources, Agency priorities, and any other pertinent information.

§ 1709.5 Determination of energy cost benchmarks.

(a) The Administrator shall establish, using the most recent data available, and periodically revise, the home energy cost benchmarks and the high energy cost benchmarks used to determine community eligibility for high energy cost grant and loan programs and the Denali Commission high energy cost grants and loans. In setting these energy cost benchmarks, the Administrator shall review the latest available information on home energy costs published by the EIA. High energy cost benchmarks will be set at 275 percent of the applicable national average household energy benchmarks.
