

Rural Utilities Service, USDA

§ 1735.74

§ 1735.70 Use of loan funds.

(a) See 7 CFR part 1735 and 1737 for RUS's general loan policies and requirements.

(b) RUS will finance an acquisition by a borrower only when the acquisition is necessary and incidental to furnishing or improving rural telephone service and the service area is eligible for RUS assistance.

(c) RUS does not make loans for the sole purpose of merging or consolidating telephone organizations. After a merger or consolidation, RUS will consider making loans to the telephone system to finance the improvement or extension of telephone service in rural areas.

(d) Generally, RUS will not make a loan for the acquisition of an existing borrower unless, in addition to all other requirements, such acquisition will improve the likelihood of repayment of an outstanding RUS loan and all outstanding balances of the previous RUS loans are paid in full.

(e) In determining the amount it will lend for each acquisition, RUS shall place a valuation on all telephone facilities that are to be acquired with loan funds. RUS may consider fair market value, the original cost less depreciation of the facilities, income generating potential, any improvement in the financial strength of the borrower as a result of the acquisition, and any other factors deemed relevant by RUS to determine the reasonableness of the acquisition price and the amount of loan funds RUS will provide for an acquisition. RUS shall not consider the acquisition price reasonable or approve a loan if, in the Administrator's opinion, the acquisition price will endanger financial feasibility. If the acquisition price exceeds the amount RUS will lend, the borrower provides the remainder.

(f) When a borrower intends to request RUS loan funds for an acquisition, it shall present a proposal in writing to the Area Office as soon as possible. The borrower must either obtain RUS approval prior to making any binding commitments with the seller or make the commitments subject to RUS's approval. Failure to comply with these requirements will disqualify the borrower from obtaining an RUS

loan for the acquisition unless the Administrator determines there were extenuating circumstances.

§ 1735.71 Nonrural areas.

Loan funds may be approved for the acquisition and improvement of facilities to serve nonrural subscribers only if the principal purpose of the loan is to furnish and improve rural service and only if the use of loan funds to serve nonrural subscribers is necessary and incidental to the principal purpose of the loan. For example, when the acquisition of an existing system located in and serving a nonrural area is necessary to serve as the nucleus of an expanded system to furnish area coverage service in rural areas, the loan may include funds to finance the acquisition. Approval for the use of loan funds in these circumstances shall be made only on a case by case basis by the Administrator.

§ 1735.72 Acquisition agreements.

When borrowers are seeking RUS financing, acquisition agreements between the borrower and the seller must be in form and substance satisfactory to RUS and shall be expressly conditioned on approval of the agreement by RUS and on obtaining an RUS loan. Normally, the acquisition agreement will not be approved by RUS until the loan has been approved.

§ 1735.73 Loan design.

When loan funds are requested for an acquisition, details of the proposed acquisition shall be included in the Loan Design. See 7 CFR part 1737.

§ 1735.74 Submission of data.

(a) RUS will not approve any acquisition, other than of toll facilities (see subpart J of this part), financed in whole or in part with loan funds until the borrower submits the following data to the GFR:

(1) For any nonborrowers involved, their most recent balance sheets, operating statements, detail of plant accounts, reports to the state commission, and audits, if available.

(2) Completed RUS Form 507, "Report on Telephone Acquisition," which provides system data, including the type
