Until that notice has been proposed and final action taken, construction contractors and subcontractors will continue to be subject to the goals and timetables for minority utilization on Federal and federally assisted construction existing now under Executive order 11246. Such goals are published in appendix B.

The goals in appendix A hereby are established on a nationwide basis as the standards for female utilization for all trades.

Appendix B established the goals for minority utilization which shall be applicable for the respective areas set forth in appendix B.

Appendix A and appendix B shall be effective with respect to transactions for which the invitations for bids or other solicitations or amendments thereto are sent, on or after May 8, 1978.
