(3) An annual operating budget which projects income and expenses for a typical year’s operation. If construction is involved, the budget must be projected through the first full year of operation following completion of the planned improvements.

(4) A copy of the proposed security instrument.

(5) A certification from the borrower that the Agency debt cannot be refinanced at reasonable rates and terms.

(6) An appraisal, when the primary security is real estate or determined necessary by the servicing official in order to determine the adequacy of loan security or repayment ability.

(7) A certification that any development work will comply with subpart C of part 1780 of this chapter.

(b) Requests for parity must comply with requirements of paragraph (a) of this section, requirements as specified in the bond or loan documents, the requirements as specified in 7 CFR part 1780, subpart D, and as provided in applicable State law.

(c) If the borrower has met all of the requirements in paragraphs (a) and (b) of this section and the proposal is determined to be in the Government’s interest, the Agency will then grant approval of the borrower’s request for parity. The following factors will be considered in assessing whether the request is in the Government’s interest:

(1) The value of the added assets compared with the amount of new debt to be secured;

(2) The value of the assets already pledged under the security documents, and any effects of the proposed transaction on the value of those assets;

(3) The ratio of the total outstanding debt secured under the security documents to the value of all assets pledged as security under the security documents;

(4) The borrower’s ability to repay its debt owed to the Government;

(5) The overall financial viability of the borrower;

(6) The borrower’s current relationship with the Agency (i.e. no defaults under the loan documents);

(7) Such other factors that may be relevant in individual cases, as determined by the Agency.

§ 1782.18 [Reserved]

§ 1782.19 Third party agreements.

The State Director may authorize third party operation, maintenance, and management of an Agency financed facility. The borrower’s attorney must review the contract, management agreement, written lease, or other third party agreement and issue an opinion to the Agency as to their legal sufficiency. The borrower shall retain the legal authority necessary for owning, constructing, operating, and maintaining the facility.

§ 1782.20 Debt Settlement.

Pursuant to 7 U.S.C. 1981, this section prescribes policies for debt settlement of Water and Waste Disposal loans; Watershed loans and advances; Resource Conservation and Development loans; and 306 (c) Water and Waste Facility loans. Within the Omnibus Consolidated Rescissions and Appropriations Act of 1996 (Public Law 104–134) is the Debt Collection Improvement Act of 1996. This law provides that any non-tax debt or claim owed to the United States that has been delinquent for a period of 180 days shall be turned over to the Secretary of the Treasury for appropriate action to collect or terminate collection actions on the debt or claim. Debt that is in litigation or foreclosure, with a collection agency or designated Federal debt collection center, or that will be disposed of under an asset sales program, is exempt from transfer to the Secretary.

(a) General requirements for debt settlement. (1) The debt or any extension thereof on which settlement is requested must be due and payable. The debt will be due and payable either under the terms of the note or other instrument, or by acceleration, unless the debt is to be cancelled without application under paragraph (e)(2) of this section or charged off under paragraph (f) of this section.

(2) Normally, all security will be disposed of prior to the date of application for debt settlement unless it is necessary to abandon security through the debt settlement process. In such cases, debt settlement may proceed if the...
