**Exhibit I to Subpart G of Part 1940—Finding of No Significant Environmental Impact**

**SUBJECT:** Finding of No Significant Environmental Impact and Necessary Environmental Findings for (insert name, location, and any identification number of project).

**TO:** Project File.

The attached environmental assessment has been completed for the subject proposal by the FmHA or its successor agency under Public Law 103–354 environmental reviewer. After reviewing the assessment and the supporting materials attached to it, I find that the subject proposal will not significantly affect the quality of the human environment. Therefore, the preparation of an environmental impact statement is not necessary.

I also find that the assessment properly documents the proposal’s status of compliance with the environmental laws and requirements listed therein.

Insert signature and title of approving official as specified in §1940.316 of this subpart.

**c.** I have reviewed and considered the types and degrees of adverse environmental impacts identified by this assessment. I have also analyzed the proposal for its consistency with FmHA or its successor agency under Public Law 103–354 environmental policies, particularly those related to important farmland preservation, and have considered the potential benefits of the proposal. Based upon a consideration and balancing of these factors, I recommend from an environmental standpoint that the project

___ be approved.
___ not be approved because of the attached reasons.
