#### § 1951.8 Types of payments.

(a) *Regular payments.* Regular payments are all payments other than extra payments and refunds. Usually, regular payments are derived from farm income, as defined §1962.4 of subpart A of part 1962 of this chapter. Regular payments also include payments derived from sources such as Agricultural Stabilization and Conservation Service payments (other than those referred to in paragraph (b) of this section), off-farm income, inheritances, life insurance, mineral royalties and income from mineral leases (see §1965.17 (c) of subpart A of part 1965 of this chapter), including income from leases or bonuses. Regular payments in the case of a Section 502 RH loan to an applicant involved in a mutual self-help project will include loan funds advanced for the payment of any part of the first and second installments. All payments to the lock box facility(s) by direct payment borrowers are considered regular payments.

(b) *Extra payments.* Extra payments are payments derived from:

(1) Sale of chattels other than chattels which will be sold to produce farm income or real estate security, including rental or lease of real estate security of a depreciating or depleting nature.

(2) Refinancing of the real estate debt.

(3) Cash proceeds of real property insurance as provided in subpart A of part 1806 of this chapter (FmHA or its successor agency under Public Law 103-354 Instruction 426.1).

(4) A sale of real estate not mortgaged to the Government, pursuant to a condition of loan approval.

(5) Agricultural Conservation Program payments as provided in subpart A of part 1941 of this chapter.

(6) Transactions of a similar nature which reduce the value of security other than chattels which will be sold to produce farm income.

(c) *Refunds.* Refunds are payments derived from the return of unused loan or grant funds, except that the term "refunds" as used in Form 1940-17, "Promissory Note," will be construed to mean the return of funds advanced for capital goods, when a loan is made for operating purposes.

#### § 1951.9 Distribution of payments when a borrower owes more than one type of FmHA or its successor agency under Public Law 103-354 loan.

"Distribution" means dividing a payment into parts according to the rules set out in this section. This section only applies after the County Supervisor determines the amount of proceeds that will be released for other purposes in accordance with the annual plan (Form FmHA or its successor agency under Public Law 103-354 431-2, "Farm and Home Plan") and Form FmHA or its successor agency under Public Law 103-354 1962-1, "Agreement for the Use of Proceeds/Release of Chattel Security."

(a) *Distribution of regular payments.* (1) When a borrower owes more than one type of FmHA or its successor agency under Public Law 103-354 loan, regular payments received from *each crop*

## § 1951.10

## 7 CFR Ch. XVIII (1-1-09 Edition)

*year's income* will be distributed in accordance with the following priorities:

(i) *First*, to an amount equal to any advances made by FmHA or its successor agency under Public Law 103-354 for the crop year's living and operating expenses. If no advances were made, distribute the payment according to paragraph (a)(1)(ii) of this section. If the amount of the payment was greater than the amount of any advances, the excess should be distributed according to paragraph (a)(1)(ii) of this section.

(ii) *Second*, to FmHA or its successor agency under Public Law 103-354 loans in proportion to the approximate amounts due on each for the year. In determining the amounts due for the year, deduct an amount equal to any advances for the year's living and operating expenses. If the amount of the payment exceeds the amount of any advances *plus* the amount due on each loan for the year, the excess should be distributed according to paragraph (a)(1)(iii) of this section.

(iii) *Third*, to FmHA or its successor agency under Public Law 103-354 loans in proportion to the delinquencies existing on each. If the amount of the payment exceeds the amount of any advances *plus* the amount due on each loan for the year *plus* any delinquencies, the excess should be distributed according to paragraph (a)(1)(iv) of this section.

(iv) *Fourth*, as advance payments on FmHA or its successor agency under Public Law 103-354 loans. In making such distribution consider the principal balance outstanding on each loan, the security position of the liens securing each loan, the borrower's request, and related circumstances.

(2) When the County Supervisor determines it is reasonable to expect that the income which will be available for payment on FmHA or its successor agency under Public Law 103-354 debts will be sufficient to pay the installments scheduled for the year under the first and second priorities, collections may be distributed so as to avoid unnecessary delinquencies, and regular payments derived from rental or lease of real estate security after approval of foreclosure or voluntary conveyance will be distributed to the real estate lien of the highest priority.

(3) Payments will be distributed differently than the priorities provided in this section if accounts are out of balance or a different distribution is needed to protect the government's interest.

(4) Any income received from the sale of softwood timber on marginal land converted to the production of softwood timber must be applied on the ST loan(s).

(b) *Distribution of extra payments.* Extra payments will be distributed first to the FmHA or its successor agency under Public Law 103-354 loan having highest priority of lien on the security from which the payment was derived. When the payment is in excess of the unpaid balance of the FmHA or its successor agency under Public Law 103-354 lien having the highest priority, the balance of such payment will be distributed to the FmHA or its successor agency under Public Law 103-354 loan having the next highest priority.

(c) *Application of payments.* After the decision is reached as to the amount of each payment that is to be distributed to the different loan types, application of the payment will be governed by §§ 1951.10 or 1951.11 of this subpart as appropriate.
