§ 1980.314 Drapes, beds, bedding, chairs, sofas, lamps, tables, televisions, radios, stereo sets, and similar items. Items such as wall-to-wall carpeting, refrigerators, ovens, ranges, clothes washers or dryers, heating or cooling equipment, or similar items may be financed.

(vii) Any unit not constructed to the RHS thermal standards as identified by an affixed label for the winter degree day zone where the unit will be located.

§ 1980.314 Loans on leasehold interests.

A loan may be guaranteed if made on a leasehold owned or being acquired by the applicant when the Lender determines that long-term leasing of homesites is a well established practice and such leaseholds are freely marketable in the area provided the Lender determines and certifies to RHS that:

(a) Unable to obtain fee title. The applicant is unable to obtain fee title to the property.

(b) Unexpired term. The lease has an unexpired term (term plus option to renew) of at least 40 years from the date of approval.

§ 1980.315 Escrow accounts for exterior development.

When proposed exterior development work cannot be completed because of weather and the work remaining to be done does not affect the livability of the dwelling, an escrow account for exterior development only may be established by the originating lender if the following conditions are met:

(a) A signed contract and bid schedule is in effect for the proposed exterior development work.

(b) The contract for development work must provide for completion within 120 days.

(c) The Lender agrees to obtain a final inspection report and advise RHS when the work has been completed.

(d) The escrow account must be funded in an amount sufficient to assure the completion of the remaining work. This figure should be 150 percent of the cost of completion but may be higher if the Lender determines a higher amount is needed.

§ 1980.316 Environmental requirements.

The requirements of subpart G of part 1940 apply to loan guarantees made under this subpart. Lenders and applicants must cooperate with RHS in the completion of these requirements. Lenders must become familiar with these requirements so that they can advise applicants and reduce the probability of unacceptable applications being submitted to RHS. RHS may require that Lenders and/or applicants obtain information for completing environmental assessments when necessary. The RHS approval official will utilize adequate, reliable information in completion of environmental review. Sources of information include, but are not limited to, the State Natural Resource Management Guide (available in any RHS office) and, as necessary, the technical expertise available within the Agency as well as other agencies and organizations to assist in the completion of the environmental review.

§ 1980.317 Equal opportunity and non-discrimination requirements in use, occupancy, rental, or sale of housing.

(a) Compliance. Loans guaranteed under this subpart are subject to the provisions of various civil rights statutes. RHS and the Lender may not discriminate against any person in making guaranteed housing loans available, or impose different terms and conditions for the availability of these loans based on a person’s race, color, familial status, religion, sex, age, physical or mental disability, or national origin, provided the applicant possesses the capacity to enter into a legal contract for services. These requirements will be discussed with the applicant, builder, developer, and other parties involved as early in the negotiations as possible.

(b) Reporting. If there is indication of noncompliance with these requirements, the matter will be reported by the borrower, Lender, or RHS personnel to the Administrator or the Director, Equal Opportunity Staff. Complaints and compliance will be handled by RHS in accordance with subpart E of part 1901.
