and/or liability for any loan(s) for which he or she is obligated, as the Secretary is not obligated to the lender/note holder for its commitment to the program participant.

(h) During the term of the service agreement, the program participant shall agree that the Secretary or the designated VMLRP service provider is authorized to verify the status of each loan for which the Secretary will be reimbursing the participant.

(i) The service agreement shall contain certifications, as determined by the Secretary.

(j) The service agreement shall contain provisions addressing the income tax liability of the program participant and the availability of reimbursement of taxes incurred as a result of an individual’s participation in the VMLRP.

(k) Renewal. The service agreement may be renewed. However, renewal applications are subject to peer review and approval, acceptance is not guaranteed, and the position must still be considered a veterinarian shortage situation at the time of application for renewal. The Secretary may request additional documentation in connection with the review and approval of a renewal application. The Secretary reserves the right not to offer renewals. Any requests for renewal applications will be solicited via the RFA.

(l) The service agreement shall contain participant reporting requirements (e.g., quarterly, annual, and/or close-out) to allow for program monitoring and evaluation.

§ 3431.19 Payment and tax liability.

(a) Loan repayment. Loan repayments pursuant to a service agreement are made directly to a participant’s lender(s) by the Secretary or the VMLRP service provider. If there is more than one outstanding qualified educational loan, the Secretary will repay the loans in the following order, unless the Secretary determines significant savings to the program would result from paying loans in a different order of priority:

(1) Loans guaranteed by the U.S. Department of Education;

(2) Loans made or guaranteed by a State;

(3) Loans made by a School; and

(4) Loans made by other entities, including commercial loans.

(b) Tax Liability Payments. The Secretary may make payments of an amount not to exceed 39 percent of the actual annual loan repayments made in a calendar year for all or part of the increased Federal, State, and local tax liability resulting from loan repayments received under the VMLRP. Supplementary payments for increased tax liability may be made for the actual amount of tax liability associated with the receipt of loan repayments under the VMLRP. Availability of these additional tax liability payments (i.e., in excess of 39 percent) will be identified in the RFA and in the participant service agreement. Program participants wishing to receive tax liability payments will be required to submit their requests for such payments in a manner prescribed by the Secretary and must provide the Secretary with any documentation the Secretary determines is necessary to establish a program participant’s increased tax liability. Tax liability payments in excess of 39 percent will be made on a reimbursement basis only.

(c) Under §3431.19(a) and (b), the Secretary will make loan and tax liability payments to the extent appropriated funds are available for these purposes.

§ 3431.20 Administration.

The VMLRP will be administered by CSREES, Office of Extramural Programs (OEP). OEP may carry out this program directly or enter into agreements with another Federal agency or other service provider to assist in the administration of the VMLRP. However, the determination of the veterinarian shortage areas, peer review of individual VMLRP applications, and the overall VMLRP oversight and coordination will reside with the Secretary.

§ 3431.21 Breach.

(a) General. If a program participant fails to complete the period of obligated service incurred under the service agreement, including failing to comply with the applicable terms and
