

Rural Housing Service, USDA

§ 3550.63

the borrower's account. Force place insurance only provides insurance coverage to the Agency and does not provide any direct coverage or benefit to the borrower. The amount of the lender-placed coverage will generally be the property's last known insured value.

(c) *Flood insurance.* Flood insurance must be obtained and maintained for the life of the loan for all property located in a Special Flood Hazard Area (SFHA) as determined by the Federal Emergency Management Agency (FEMA). RHS actions will be consistent with 7 CFR part 1806, subpart B which addressed flood insurance requirements. If flood insurance through FEMA's National Flood Insurance Program is not available in an SFHA, the property is not eligible for federal financial assistance.

(d) *Losses.* (1) Loss deductible clauses for required insurance coverage may not exceed the generally accepted minimums based on current industry standards and local market conditions.

(2) Customers must immediately notify RHS of any loss or damage to insured property and collect the amount of the loss from the insurance company.

(3) Depending on the amount of the loss, RHS may require that loss payments be supervised. All repairs and replacements done by or under the direction of the borrower, or by contract, will be planned, performed, inspected, and paid for in accordance with 7 CFR part 1924, subpart A.

(4) When insurance funds remain after all repairs, replacements, and other authorized disbursements have been made, the funds will be applied in the following order:

(i) Prior liens, including delinquent property taxes.

(ii) Past-due amounts.

(iii) Protective advances due.

(iv) Released to the customer if the RHS debt is adequately secured.

(5) If a loss occurs when insurance is not in force, the borrower is responsible for making the needed repairs or replacements and ensuring that the insurance is reinstated on the property.

(6) If the borrower is not financially able to make the repairs, RHS may take one of the following actions:

(i) Make a subsequent loan for repairs.

(ii) Subordinate the RHS lien to permit the borrower to obtain funds for needed repairs from another source.

(iii) Permit the borrower to obtain funds secured by a junior lien from another source.

(iv) Make a protective advance to protect the Government's interest.

(v) Accelerate the account.

[61 FR 59779, Nov. 22, 1996, as amended at 70 FR 6552, Feb. 8, 2005; 73 FR 49592, Aug. 22, 2008]

§ 3550.62 Appraisals.

(a) *Requirement.* An appraisal is required when the debt to be secured exceeds \$15,000 or whenever RHS determines that it is necessary to establish the adequacy of the security. Appraisals must be made in accordance with the Uniform Standards of Professional Appraisal Practices. When other real estate is taken as additional security, it will be appraised if it represents a substantial portion of the security for the loan.

(b) *Fees.* RHS will charge a fee for each loan application that requires an appraisal, except the appraisal fee is not required on appraisals done for subsequent loans needed to make minimal, essential repairs or in cases where another party provides an appraisal which is acceptable to RHS. Fees collected in connection with a dwelling constructed under an approved conditional commitment will be paid to the contractor at closing to offset the cost of the real estate appraisal that is included in the conditional commitment fee.

§ 3550.63 Maximum loan amount.

Total secured indebtedness must not exceed the area loan limit or market value limitations specified in paragraphs (a) or (b) of this section, whichever is lower. Any loan amount for the RHS appraisal, tax monitoring fee, and the charge to establish an escrow account for taxes and insurance will not be subject to the limitations specified below. This section does not apply to loans on NP terms.

(a) *Area loan limit.* (1) The area loan limit is the maximum value of the property RHS will finance in a given

§ 3550.64

7 CFR Ch. XXXV (1-1-10 Edition)

locality. Subject to the following, this limit is based on cost data plus the market value of an improved lot, or the State Housing Authority limits, whichever the State Director determines most appropriately reflects the value of modest housing for the area:

(i) The cost of the structure is based upon the cost to construct a modest home and is obtained by RHS from a nationally recognized residential cost provider.

(ii) The market value of an improved site (without the dwelling) is based upon current sales data for typical housing sites and reasonable and typical costs of site improvements.

(iii) The applicable State Housing Authority limit will only be considered if it is within 10 percent of the cost data plus the market value of an improved lot.

(iv) The area loan limit may not exceed the applicable local HUD section 203(b) limit.

(v) All area loan limit data will be updated at least annually and is available in any Rural Development office.

(2) The maximum loan limit calculated under paragraph (a)(1) will be reduced in the following situations:

(i) When the applicant owns the site or is purchasing the site at a sales price below market value, the market value of the lot will be deducted from the maximum loan limit, and

(ii) When an applicant is receiving a housing grant or other form of affordable housing assistance for purposes other than closing costs, the amount(s) of such grants and affordable housing assistance will be deducted from the maximum loan limit.

(3) The maximum loan limit for self-help housing will be calculated by adding the total of the market value of the lot (including reasonable and typical costs of site development), the cost of construction, and the value of sweat equity. The total of these three factors cannot exceed the limit established in paragraph (a)(1) of this section.

(b) *Market value limitation.* (1) The market value limitation is 100 percent of market value for existing housing and for new dwellings for which RHS will receive adequate documentation of construction quality and the source of

such documentation is acceptable to RHS.

(2) The market value limitation is 90 percent of market value for new dwellings for which adequate documentation of construction quality is not available.

(3) The market value limitation can be increased by:

(i) Up to one percent, if RHS makes a subsequent loan for closing costs only, in conjunction with the sale of an REO property or an assumption.

(ii) The amount necessary to make a subsequent loan for repairs necessary to protect the Government's interest, and reasonable closing costs.

(iii) The amount necessary to refinance an existing borrower's RHS loans, plus closing costs associated with the new loan.

[61 FR 59779, Nov. 22, 1996; 61 FR 65266, Dec. 11, 1996, as amended at 67 FR 78330, Dec. 24, 2002]

§ 3550.64 Down payment.

Elderly families must use any net family assets in excess of \$20,000 towards a down payment on the property. Non-elderly families must use net family assets in excess of \$15,000 towards a down payment on the property. Applicants may contribute assets in addition to the required down payment to further reduce the amount to be financed.

[73 FR 49593, Aug. 22, 2008]

§ 3550.65 [Reserved]

§ 3550.66 Interest rate.

Loans will be written using the applicable RHS interest rate in effect at loan approval or loan closing, whichever is lower. Information about current interest rates is available in any Rural Development office.

[67 FR 78330, Dec. 24, 2002]

§ 3550.67 Repayment period.

Loans will be scheduled for repayment over a period that does not exceed the expected useful life of the property as a dwelling. The loan repayment period will not exceed:

(a) Thirty-three years in all cases except as noted in paragraphs (b), (c), and (d) of this section.
