Rent and utility allowance changes.

(a) General. Borrowers must fully document that changes to rents and utility allowances are necessary to cover housing or utility costs allowed under the approved budget for the housing. Any changes must apply to all similar units in the housing project.

(b) Agency approval. Borrowers must submit a fully documented request to the Agency to effect any rent or utility allowance change.

(1) Borrowers must obtain written consent or approval from the Agency as specified in paragraph (e) of this section before implementing any changes in the rents or utility allowances.

(2) If a borrower implements an unauthorized rent or utility allowance charge, the Agency will require the borrower to roll back rents to the last authorized rent charge, and the borrower must reimburse tenants for any unauthorized rents collected.

(c) Timing of request for changes. Borrowers must submit rent and utility allowance change requests in conjunction with the annual budget submission as required under §3560.303(d). The effective dates of any approved changes will coincide with the start of the housing project’s fiscal year or the start of the season for seasonally occupied farm labor housing. However, the Agency will accept borrower requests
§ 3560.206 Conversion to Plan II (Interest Credit).

The Agency encourages any borrower not on Plan II to convert to Plan II to provide more favorable rent costs to very-low, low, and moderate-income households.

§ 3560.207 Annual adjustment factors for Section 8 units.

(a) General. For rental units receiving project-based Section 8 assistance, the Agency will review rents annually without regard to HUD's automatic annual adjustment.

(b) Establishing rents in housing with HUD rent assistance. Borrowers will set note and basic rents for housing receiving HUD project-based Section 8 assistance, as specified in §3560.202(c)(3).

(1) Borrowers must notify the Agency of any HUD rent changes.

(2) If allowed by the interest credit agreement, the borrower will remit the amount collected in excess of the basic rent up to the note rent to the Agency as overage.

(3) When HUD contract rents exceed note rents, borrowers must deposit HUD funds equal to the difference between the Agency approved note rent and the HUD approved rent into the reserve account for the housing project.

(c) Excess HUD rents. When permitted by the Agency interest credit agreement, the Agency may reduce or cancel the interest credit on the housing, if excess HUD rents deposited in the reserve account result in the reserve account being funded beyond the fully funded level approved by the Agency.

§ 3560.208 Rents during eviction or failure to recertify.

(a) Rents during eviction. If a tenant is appealing an eviction and the borrower refuses to accept rent payment during the appeal of the eviction, the tenant must escrow required rent payments to safeguard their occupancy, unless State or local laws specify otherwise.

(b) Rents when tenants fail to recertify. If a borrower can document that a tenant received a notice specifying a tenant recertification date and the tenant fails to comply by the specified date or fails to cooperate with verification or other procedures related to the tenant’s recertification so that the tenant recertification cannot be completed by the recertification date, the borrower, within 10 days of the recertification date, shall give the tenant and the Agency written notification that:
