

(3) A copy of the project-based rental assistance agreement to be signed by the borrower and the provider of the rental assistance.

(d) *Rental subsidy agreement.* The borrower and the provider of rental subsidies from sources other than the Agency must execute a rental subsidy agreement and submit a copy of the agreement to the Agency. At a minimum, the rental subsidy agreement between the borrower and the source of the rental subsidy must include the following provisions:

(1) A description of how the subsidy will be paid. The rental subsidy payments may be paid directly to the tenants, to the borrower on behalf of the tenants, or deposited to a separate account established for the subsidy. The tenants must be advised of the amount and source of the subsidy through the lease or a supplement to the lease.

(2) The life of a project-based rental subsidy agreement with a non-Agency source must be similar to existing or current Agency rental assistance funding levels and sufficient funds must be set aside to assure availability of the rental subsidy for this term. The method of supplying the funds must be clearly established.

§ 3560.261 Improperly advanced rental assistance.

Improperly advanced RHS rental assistance resulting from tenant or borrower error or fraud constitutes unauthorized assistance and the provisions of subpart O of this part apply.

§§ 3560.262–3560.299 [Reserved]

§ 3560.300 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575-0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of informa-

tion unless it displays a currently valid OMB control number.

Subpart G—Financial Management

§ 3560.301 General.

This subpart contains requirements for the financial management of Agency-financed multi-family housing (MFH) projects, including accounts, budgets, reports, and engagements. Financial management systems and procedures must cover all housing operations and provide adequate documentation to ensure that program objectives are met.

§ 3560.302 Accounting, bookkeeping, budgeting, and financial management systems.

(a) *General.* Borrowers must establish the accounting, bookkeeping, budgeting and financial management procedures necessary to conduct housing project operations in a financially safe and sound manner. Borrowers must maintain records in a manner suitable for an engagement and must be able to report accurate operational results to the Agency from these accounts and records.

(b) *Acceptable methods of accounting.* (1) Borrowers may use a cash, accrual, or modified accrual method of accounting, bookkeeping, and budget preparations as long as the method is consistent with the statements required by the engagement in accordance with the standards identified in § 3560.308.

(2) Borrowers must describe their accounting, bookkeeping, budget preparation, and financial reporting procedures, including Agency-approved engagements, in their management plan.

(3) Borrowers must notify the Agency of any changes in their accounting, bookkeeping, budget preparation, and financial management reporting systems through a revision of their management plan.

(c) *Account requirements.* (1) As used in this paragraph, the term account is used interchangeably to mean a bookkeeping account (ledger) or a bank account.

(2) At a minimum, borrowers must maintain the accounts required by their loan agreement or resolution.

§ 3560.302

7 CFR Ch. XXXV (1-1-10 Edition)

(3) The following list identifies the financial accounts that are required for each housing project. Additional accounts may be required by third-party lenders. Accounts are to be funded in the following priority order, except that paragraphs (c)(3)(iv), (v), and (vi) of this section are funded directly by tenant security deposits or patron capital receipts respectively:

- (i) General operating account;
- (ii) Real estate tax and insurance account (if not part of the general operating account);
- (iii) Reserve account;
- (iv) Tenant security deposit account;
- (v) Membership fee account for cooperative housing; and
- (vi) For cooperative housing only, a patron capital account.

(4) Amounts escrowed for taxes and insurance may be kept in the general operating account as long as the accounting system reflects the amount escrowed.

(5) Regardless of the number or types of accounts established, the borrower must meet the following requirements:

(i) All housing project funds must be held only in financial institution accounts insured by an agency of the Federal Government, backed by collateral provided by the bank, or held in securities meeting the conditions in this subpart.

(ii) Funds maintained in an institution may not exceed the limit established for Federal deposit insurance. If funds exceed the amount covered by Federal deposit insurance, borrowers must obtain a collateral pledge from the institution to cover all funds or must move funds to an institution that will insure the funds.

(iii) All funds and proceeds in any account must be used only for authorized purposes as described in Agency's regulations, loan or grant documents. Use of funds for non-program purposes constitutes non-monetary default as described in §3560.452(c).

(iv) All funds received and held in any account, except the tenant security deposit, membership fee, and patron capital accounts, must be held in trust by the borrower for the loan obligation until used and serve as security for the Agency loan or grant.

(v) Borrowers must be able to account for housing project funds with accounting methods or practices that maintain the proprietary identity of the funds for each project. A borrower may operate one account for multiple projects as long as the funds for each project themselves are accounted for separately.

(vi) Each borrower must have access to at least one demand deposit or checking account.

(vii) Housing project funds may not be pledged as collateral for debts without Agency approval. If such a need arises for an eligible program purpose, the borrower must obtain prior Agency approval.

(6) Tenant security deposit accounts or membership fee accounts and patron capital accounts must be maintained in a separate account in trust for the tenants or members and handled in a manner consistent with state and local laws.

(d) *Documentation of separate accountability.* Housing project funds may be combined in one or more bank accounts for two or more housing projects as long as the borrower's accounting system segregates and tracks funds for each project separately.

(1) When borrowers request Agency approval of an accounting system that combines funds from two or more housing projects, they must demonstrate to the Agency that the accounting systems are structured to segregate and maintain separate accountability for each housing project. Such demonstration must include a statement issued by a Certified Public Accountant (CPA) stating that the accounting system is structured to meet this principle of separate accountability.

(2) The accounting system and management plan must document the method for prorating revenue and expenses that are not clearly identifiable as being associated with a particular housing project.

(3) Funds for housing projects managed by the same management company must not be co-mingled.

(e) *Records.* (1) Borrowers must retain all housing project financial records, books, and supporting material for at least three years after the issuance of the engagement and financial reports.

Rural Housing Service, USDA

§ 3560.303

Upon request, these materials will immediately be made available to the Agency, its representatives, the USDA Office of the Inspector General (OIG), or the General Accountability Office (GAO).

(2) Borrower accounts and records will be kept or made available in a location with reasonable access for inspection, review, and copying by the Agency, other authorized representatives of the USDA, OIG, or GAO.

(3) Automated records may be used if they meet the conditions of paragraph (f) of this section.

(f) *Forms generated by automated systems.* (1) The forms and formats approved for use by borrowers may be prepared on automated systems when they meet the requirements of this paragraph.

(2) Forms may be automated if they meet the following requirements:

(i) The identical wording and nomenclature of an official form must be included in the automated version of the form, including the Office of Management and Budget (OMB) approval number.

(ii) The logic or mathematical calculation of an official form must be the same in an automated version of the form.

(iii) The name or logo of the source of the automated form must be visible on each output of the automated form.

(iv) Output size must be 8½ × 11 inches.

(v) Nominal spacing adjustment and colored paper are allowed.

(g) *Farm Labor Housing.* Borrowers with on-farm labor housing units will be considered in compliance with this section by virtue of completing the record keeping and reporting requirements outlined in subpart M of this part.

§ 3560.303 Housing project budgets.

(a) *General requirements.* (1) Using an Agency-approved format, borrowers must submit to the Agency for approval a proposed annual housing project budget prior to the start of the housing project's fiscal year. The capital budget section of the annual project budget must include anticipated expenditures on the project's

long-term capital needs as specified in §3560.103(c).

(2) Budget projections regarding income, expenses, vacancies, and contingencies must be realistic given the housing project's history, current circumstances, and market conditions.

(3) Borrowers must document that the operating expenses included in the budget accurately reflect reasonable and necessary costs to operate the housing project in a manner consistent with the objectives of the loan and in accordance with the applicable Agency requirements.

(4) Borrower must submit supporting documentation to justify housing project utility allowances.

(5) Upon Agency request, borrowers must submit any additional documentation necessary to establish that applicable Agency requirements have been met.

(b) *Allowable and unallowable project expenses.* Expenses charged to project operations, whether for management agent services or other expenses, must be reasonable, typical, necessary and show a clear benefit to the residents of the property. Services and expenses charged to the property must show value added and be for authorized purposes.

(1) *Allowable expenses.* Allowable expenses include those expenses that are directly attributable to housing project operations and are necessary to carry out successful operations.

(i) Housing project expenses must not duplicate expenses included in the management fee as defined in §3560.102(i).

(ii) Actual costs for direct personnel costs of permanent and part-time staff assigned directly to the project site. This includes managers, maintenance staff, and temporary help including their:

- (A) Gross salary;
- (B) Employer FICA contribution;
- (C) Federal unemployment tax;
- (D) State unemployment tax;
- (E) Workers compensation insurance;
- (F) Health insurance premiums;
- (G) Cost of fidelity or comparable insurance;
- (H) Leasing, performance incentive or annual bonuses;
