Rural Housing Service, USDA § 3560.309

(1) Borrowers must use an Agency approved engagement letter. Borrowers must submit the results of an engagement that examines specific records using agreed upon procedures established by the Agency and that describes the borrower’s performance in meeting the standards described in paragraph (c) of this section.

(2) The engagement will be initiated by the borrower using the Agency’s engagement letter, which will specify the engagement program and establish the reporting requirements for the engagement.

(3) The engagement must be conducted by a CPA in accordance with American Institute of Certified Public Accountant (AICPA) Standards and Agency requirements.

(4) All engagement reports must be prepared for use by the Agency.

(c) Performance standards. Borrowers must ensure that:

(1) Required accounts are properly maintained and tracked separately;

(2) Payments from operating accounts are disclosed and accurately represented on financial reports;

(3) The reserve amount is at the authorized level and there are no encumbrances;

(4) Tenant security deposit accounts are fully-funded and are maintained in separate accounts and meet state and local requirements;

(5) Amount of payment of owner return was consistent with the terms of the applicable loan agreement;

(6) The borrower has maintained proper insurance in accordance with the requirements of §3560.105(b); and

(7) All financial records are adequate and suitable for examination.

(d) Other financial reports. (1) Non-profit and public borrower entities must submit audits in accordance with 7 CFR part 3052 that must also include the requirements set forth in the limited scope engagement.

(2) The Agency may require additional opinions of financial condition and compliance, such as audits, to assure the security of the asset, determine whether the housing project is being operated at a reasonable cost, or to detect fraud, waste, or abuse.

(3) Any audits independently obtained by the borrower also must be submitted to the Agency.

§ 3560.309 Advancement (loan) of funds to a RRH project by the owner, member of the organization, or agent of the owner.

(a) Prior written approval by the Servicing Office is required. Such advances may be authorized when justified by unusual short-term conditions. When conditions are not short-term in nature, a servicing plan may be developed and advances may be approved in accordance with the provisions set out in §3560.453 of this part. Justification will be based on the following:

(1) A review of the documented circumstances and the project operating budget before any funds are advanced (loaned). The financial position of the project must not be jeopardized.

(2) Funds are not immediately available from any of the following sources: (i) Reserve funds; (ii) Initial operating capital; and (iii) An imminent rent increase.

(b) The funds will be applied to ordinary project operating and maintenance expenses.

(c) Interest may be charged or paid on the loan from project income; however, interest must be reasonable. The proposal may be denied if Rural Development financing can be provided to resolve the problem in a more cost-effective manner.

(d) No lien in connection with the loan will be filed against the property securing the Rural Development loan or against project income. The advance may show as an unsecured project liability on financial statements prepared for year-end reports until such time as it is authorized to be repaid.

(e) The payback of the advance (loan) may be permitted by the Servicing Official provided the terms and conditions were mutually agreed to by the borrower and Rural Development at the time of the advance and the financial position of the project will not be jeopardized. Payback should only be permitted on the advance when the Rural Development debt is current and the reserve requirements are being maintained at the authorized levels.
