§ 3560.457 Negotiated debt settlement.

(a) Borrower proposals to settle debt. A borrower who cannot pay the full amount of loan payments may propose an offer to settle an outstanding debt for less than the full amount of that debt. The Agency may approve a negotiated debt settlement only in cases where a default is evident and doing so is in the best interest of the Federal Government and tenants.

(b) Required information. Borrowers requesting debt settlement must submit complete and accurate information from which a full determination of financial condition can be made. Debt settlement offers will not be approved by the Agency unless the financial information submitted by the borrower indicates that the borrower will be able to make the debt settlement payments as proposed.

(c) Effective date of approval. Debt settlement offers will not be accepted until the borrower receives written approval from the Agency.

(d) Appraisal requirement. No debt settlement offer will be accepted for less than the net recovery value of the security as determined by a licensed appraiser or other qualified official, and concurred in by the Agency's qualified appraisal review official or other qualified official.

(e) Disposition of security prior to offer. Borrowers are not required to dispose of security prior to making a debt settlement offer. However, if a borrower has disposed of security prior to making a debt settlement offer, the proceeds from the disposed security must be applied to the borrower's account prior to any negotiations on the debt settlement offer.

(f) Final release condition. Upon full payment of the approved debt settlement, the Agency will release the borrower from liability.

§ 3560.458 Special property circumstances.

(a) Abandonment. When the Agency determines that a borrower has abandoned security for a loan under this part, the Agency will take the steps necessary to protect the Federal Government's interest in the security. Costs associated with managing abandoned property are the responsibility of the borrower and will be charged to the borrower's account until liquidation is completed.

(b) Other security. The Agency will service security such as collateral assignments, assignments of rents, Housing Assistance Payments Contracts, and notices of lienholder interest according to acceptable practices in the respective states.

(c) Taking of additional security to protect Agency interests. The Agency may require borrowers to provide additional security in the form of real estate, cash reserves, letters of credit, or other security when needed to improve the chances that the Agency will not suffer a loss, and when:

(1) The account is in default; or
(2) The property has not been properly managed or maintained.

(d) Due diligence. When the Agency has completed an environmental review in accordance with 7 CFR part 1940, subpart G, and decides not to acquire security property through liquidation action or chooses to abandon its security interest in real property, whether due in whole or in part, to the presence of contamination from hazardous substances, hazardous wastes, or petroleum products, the Agency will provide the appropriate environmental authorities with a copy of its due diligence report.

§ 3560.459 Special borrower circumstances.

(a) Deceased borrower, bankruptcy, insolvency, and divorce actions. The Agency will address borrower accounts affected by special circumstances such as death, bankruptcy, insolvency, and divorce on a case-by-case basis. The Agency will make servicing decisions in such cases on the basis of best interest to the Federal Government and tenants. The Agency will bring a legal action to establish the legal capacity of the borrower to administer the project if found necessary to protect the government's interests. In order for the Agency to make servicing decisions in such cases, the borrower or the borrower's representative will provide to the Agency:

(1) On the part of the heirs or executor of the borrower's estate, evidence of legal action due to a will or court
actions that establish who is to become the owner:

(2) The financial status of the borrower and any member pledging additional security for the debt;

(3) The status of the security property; and

(4) The impact of the identified actions on the operation of the project.

(b) Membership liability agreements. If a borrower’s note is endorsed by individuals other than the borrower or a borrower has security agreements with members of the organization for the purchase of shares of stock or for the payment of a pro rata share of the loan in the event of default, or has individual liability agreements, which are usually assigned to and held by the Agency as additional security for the loan, the security and liability agreements must be adequate to protect the Agency’s interest.

(c) Security issues in participation loans. When a multi-family housing (MFH) project is receiving financing or a subsidy from sources other than the Agency, the Agency will service the account in accordance with the participation agreements made with the Agency and the other funding sources under §3560.65.

§ 3560.460 Double damages.

(a) Action to recover assets or income. (1) The Agency may request to the Attorney General to bring an action in a United States district court to recover any assets or income used by any person in violation of the provisions of a loan made by the Agency under this section or in violation of any applicable statute or regulation.

(2) For the purposes of this section, a use of assets or income in violation of the applicable loan, statute, or regulation includes any use for which the documentation in the books and accounts does not establish that the use was made for a reasonable operating expense or necessary repair of the project or for which the documentation has not been maintained in accordance with the requirements of the Agency and in reasonable condition for proper audit.

(3) For the purposes of this section, the term “person” means:

(i) Any individual or entity that borrows funds in accordance with programs authorized by this section;

(ii) Any individual or entity holding 25 percent or more interest in any entity that the Agency funds in accordance with programs authorized by this section; and

(iii) Any officer, director, or partner of an entity that borrows funds in accordance with programs authorized by this section.

(b) Amount recoverable. (1) In any judgment favorable to the United States entered under this section, the Attorney General may recover double the value of the assets and income of the project that the court determines to have been in violation of the provisions of a loan made by the Agency under this section or any applicable statute or regulation, plus all costs related to the actions, including reasonable attorney and auditing fees.

(2) Notwithstanding any other provisions of law, the Agency may use amounts recovered under this section for activities authorized under this section and such funds must remain available for such use until expended.

(c) Time limitation. Notwithstanding any other provisions of law, an action under this section may be commenced at any time during the six-year period beginning on the date that the Agency discovered or should have discovered the violation of the provisions of this section or any related statutes or regulations.

(d) Continued availability of other remedies. The remedy provided in this section is in addition to and not in substitution of any other remedies available to the Agency or the United States.

§ 3560.461 Enforcement provisions.

(a) Equity skimming—(1) Criminal penalty. Whoever, as an owner, agent, employee, or manager, or is otherwise in custody, control, or possession of property that is security for a loan made under this title, willfully uses, or authorizes the use, of any part of the rents, assets, proceeds, income, or other funds derived from such property, for any purpose other than to meet actual, reasonable, and necessary expenses of the property, or for any other purpose not authorized by this
