(i) Lender will price the loan at the Wall Street Journal published Prime Rate plus 1 percent or less (5 points).

(ii) The Agency guaranteed loan is less than 50 percent of project cost (5 points).

(iii) Percentage of guarantee is 10 or more percentage points less than the maximum allowable for a loan of its size (5 points).

(5) High impact business investment priorities. The priority score for high impact business investment will be the total score for the following three categories:

(i) Industry. The priority score for industry will be the total score for the following, except that the total score for industry cannot exceed 10 points:

(A) Industry that has 20 percent or more of its sales in international markets (5 points).

(B) Industry that is not already present in the community (5 points).

(ii) Business. The priority score for business will be the total score for the following:

(A) Business that offers high value, specialized products and services that command high prices (2 points).

(B) Business that provides an additional market for existing local business (3 points).

(C) Business that is locally owned and managed (3 points).

(D) Business that will produce a natural resource value-added product (2 points).

(iii) Occupations. The priority score for occupations will be the total score for the following, except that the total score for job quality cannot exceed 10 points:

(A) Business that creates jobs with an average wage exceeding 125 percent of the Federal minimum wage (5 points).

(B) Business that creates jobs with an average wage exceeding 150 percent of the Federal minimum wage (10 points).

(6) Administrative points. The State Director may assign up to 10 additional points to an application to account for such factors as statewide distribution of funds, natural or economic emergency conditions, or area economic development strategies. An explanation of the assigning of these points by the State Director will be appended to the calculation of the project score maintained in the case file. If an application is considered in the National Office, the Administrator may also assign up to an additional 10 points. The Administrator may assign the additional points to an application to account for items such as geographic distribution of funds and emergency conditions caused by economic problems or natural disasters.

§ 4279.156 Planning and performing development.

(a) Design policy. The lender must ensure that all project facilities must be designed utilizing accepted architectural and engineering practices and must conform to applicable Federal, state, and local codes and requirements. The lender will also ensure that the project will be completed using the available funds and, once completed, will be used for its intended purpose and produce products in the quality and quantity proposed in the completed application approved by the Agency.

(b) Project control. The lender will monitor the progress of construction and undertake the reviews and inspections necessary to ensure that construction conforms with applicable Federal, state, and local code requirements; proceeds are used in accordance with the approved plans, specifications, and contract documents; and that funds are used for eligible project costs.

(c) Equal opportunity. For all construction contracts in excess of $10,000, the contractor must comply with Executive Order 11246, entitled “Equal Employment Opportunity,” as amended by Executive Order 11375, and as supplemented by applicable Department of Labor regulations (41 CFR, part 60). The borrower and lender are responsible for ensuring that the contractor complies with these requirements.

(d) Americans with Disabilities Act (ADA). B&I Guaranteed Loans which involve the construction of or addition to facilities that accommodate the public and commercial facilities, as defined by the ADA, must comply with the ADA. The lender and borrower are responsible for compliance.
