§ 4280.24 Revolved funds.

Rural Development and the Intermediary’s supplemental funds will be considered revolved after they have been loaned to Ultimate Recipients and subsequently repaid. Loans made from revolved funds will not require prior approval of Rural Development for creditworthiness or environmental clearance purposes. All other Federal compliance requirements, including those in this subpart, remain in effect.

§ 4280.25 Revolving Loan Fund Plan.

Each REDG Intermediary must adopt a Rural Development-approved plan that specifies that:

(a) The initial loan made from the Fund will be at zero percent interest and have a maximum term of 10 years;

(b) Loans made from loan repayments may carry an interest rate less than, or equal to, the prevailing prime rate. The Intermediary determines repayment terms and security arrangements on these loans;

(c) Loans made from repayments of REDG loans must be for eligible Program purposes;

(d) The Intermediary is solely responsible for the financial approval of Fund loans and all other Fund decisions and actions; and

(e) No changes will be made to a Rural Development-approved Revolving Loan Fund Plan without the prior written approval of Rural Development.

§ 4280.26 Administration and operation of the Revolving Loan Fund.

(a) The Intermediary will operate and administer the Revolving Loan Fund. The Intermediary may contract with a third party for administrative services regarding the Fund. However, the Intermediary must permanently retain all Project review, approval, and monitoring authority and responsibility. This authority and responsibility cannot be delegated to any other person or entity.

(b) Up to 10 percent of Rural Development Grant funds may be applied toward operating expenses over the life of the Fund. Operating expenses include the costs of administering the Fund and Technical Assistance provided to Project owners by Independent Providers.

(c) In cases where the Intermediary uses its supplemental contribution to the Revolving Loan Fund for a Project other than the Project that resulted in the Intermediary being awarded the Grant, the loan terms must not exceed 10 years and the interest rate must be less than, or equal to, the prevailing prime rate.

§ 4280.27 Ineligible purposes.

Zero-Interest Loans may not be used:

(a) For activities that would adversely affect the environment, or activities that limit the choice of reasonable alternatives prior to satisfying Rural Development environmental requirements;

(b) To pay off or refinance any existing indebtedness or costs of the Project that were incurred prior to Rural Development receipt of the Intermediary’s completed application;

(c) For any electric or telecommunications purpose or for the Intermediary’s electric or telecommunications operations, for affiliated operations of the Intermediary, or for the benefit of other Intermediaries or their affiliated operations, except those purposes contained in § 4280.15(f);

(d) To pay the salaries of any employee or owner of the Intermediary, its subsidiaries, or affiliates, except for salaries incurred in administering a Revolving Loan Fund established under the REDG Program;
