prior to submitting the request for reimbursement.

§ 4284.911 Evaluation screening.

The Agency will conduct an initial screening of all proposals to determine whether the applicant is eligible and whether the application is complete and sufficiently responsive to the requirements set forth in the RFP to allow for an informed review. Failure to address any of the required evaluation criteria will disqualify the proposal. Submissions which do not pass the initial screening may be returned to the Applicant. If the submission deadline has not expired and time permits, returned applications may be revised and re-submitted.

§ 4284.912 Evaluation process.

(a) Applications will be evaluated by agricultural economists or other technical experts appointed by the Agency.

(b) After all proposals have been evaluated and scored in accordance with the point allocation specified in the applicable RFP, Agency officials will present to the Administrator of RBS a list of all applications in rank order, together with funding level recommendations.

(c) The Administrator reserves the right to award additional points, as specified in the applicable RFP, to accomplish agency objectives (e.g., to ensure geographic distribution, distribution of a commodity or accomplish presidential initiatives.) The maximum number of points that can be added to an application cannot exceed ten percent of the total points of the original score.

(d) After giving effect to the Administrator's point awards, applications will be funded in rank order until all available funds have been obligated.

(e) In the event an insufficient number of eligible applications are received in response to a given RFP, time permitting, subsequent rounds of competition will be initiated by publishing subsequent RFPs.

(f) Unless a proposal is withdrawn, eligible but unfunded proposals from preceding competitions in a given fiscal year will be considered for funding in subsequent competitions in the same fiscal year.
