the securities of an Enterprise through or from an underwriter if:

(1) You purchase such securities within 90 days of the date the public offering is first made;

(2) Your purchase price is no more than the original public offering price; and

(3) The amount paid by you for the securities (less ordinary and reasonable underwriting charges and commissions) has been, or will be, paid to the issuer, and the underwriter certifies in writing that this requirement has been met.

(b) *Recordkeeping requirements.* You must keep records available for the Secretary's inspection which show the relevant details of the transaction, including but not limited to, date, price, commissions, and the underwriter's certifications required under paragraphs (a)(3) and (c) of this section.

(c) *Underwriter's requirements.* The underwriter must certify whether it is your Associate. You may pay reasonable and customary commissions and expenses to an Associate underwriter for the portion of an offering that you purchase.

(d) *Securities purchased from another RBIC.* You may purchase from, or exchange with, another RBIC, Portfolio securities (or any interest therein). Such purchase or exchange may only be made on a non-recourse basis. You may not have more than one-third of your total assets (valued at cost) invested in such securities. If you have previously sold Portfolio securities (or any interest therein) on a recourse basis, you must include the amount for which you may be contingently liable in your overline computation.

(e) *Purchases of securities from other non-issuers.* You may purchase securities of an Enterprise from a non-issuer not previously described in this § 4290.825 if such acquisition is a reasonably necessary part of the overall sound Financing of the Enterprise.

§ 4290.830 Minimum term of Financing.

(a) *General rule.* The minimum term of each of your Financings is one year.

(b) *Restrictions on mandatory redemption of Equity Securities.* If you have acquired Equity Securities, options, or warrants on terms that include re-

demption by the Portfolio Concern, you must not require redemption by the Portfolio Concern within the first year of your acquisition except as permitted in § 4290.850.

(c) *Special rules for Loans and Debt Securities—(1) Term.* The minimum term for Loans and Debt Securities starts with the first disbursement of the Financing.

(2) *Prepayment.* You must permit voluntary prepayment of Loans and Debt Securities by the Portfolio Concern. You must obtain the Secretary's prior written approval of any restrictions on the ability of the Portfolio Concern to prepay other than the imposition of a reasonable prepayment penalty under paragraph (c)(3) of this section.

(3) *Prepayment penalties.* You may charge a reasonable prepayment penalty which must be agreed upon at the time of the Financing. If the Secretary determines that a prepayment is unreasonable, you must refund the entire penalty to the Portfolio Concern. A prepayment penalty equal to five percent of the outstanding balance during the first year of any Financing, declining by one percentage point per year through the fifth year, is considered the maximum reasonable amount.

§ 4290.835 Exceptions to minimum term of Financing.

You may make a Financing with a term of less than one year but only if such Financing is in contemplation of another Financing, with a term of one year or more, to the same Enterprise.

§ 4290.840 Maximum term of Financing.

The maximum term of any Debt Security must be no longer than 20 years.

§ 4290.845 Maximum rate of amortization on Loans and Debt Securities.

The principal of any Loan, or the loan portion of any Debt Security, with a term of one year or less, cannot be amortized faster than straight line. If the term is greater than one year, the principal cannot be amortized faster than straight line for the first year.
