The official identification illustrated in Figure 1 is designed for use on graded product packed under USDA inspection. Figure 2 is designed for graded product processed and packed under USDA inspection. Figure 3 is designated for inspected product (when U.S. standards for grades are not established) processed and packed under USDA quality control service. The official identification shall be printed on the package label, on the carton or on the wrapper and, preferably, on one of the main panels of the carton or wrapper. The shield identification shall be not less than 3⁄4 inch by 3⁄4 inch in size, and preferably 1 inch by 1 inch on 1-pound cartons or wrappers. Consideration will be given by the Administrator of a smaller shield on special packages where the size of the label does not permit use of the 3⁄4 inch by 3⁄4 inch shield.

§ 58.52 Time limit for packaging inspected or graded products with official identification.

Any lot of butter which is graded for packaging with official grade identification shall be packaged within 10 days immediately following the date of grading, and any lot of natural cheese or dry milk shall be packaged within 30 days immediately following date of grading provided the product is properly stored during the 10- or 30-day period. Time limit for packaging other inspected or graded products shall be as approved by the Administrator. If inspected or graded product is moved to another location, a reinspection or regrading shall be required.

§ 58.53 Supervisor of packaging required.

The official identification of any inspected or graded product, as provided in §§58.50 through 58.52, this section, and §§58.54 through 58.57, shall be done
