ADMINISTRATION

§97.3 Plant Variety Protection Board.

(a) The Plant Variety Protection Board shall consist of 14 members appointed for a 2-year term. The Board shall be appointed every 2 years and shall consist of individuals who are experts in various areas of varietal development. The membership of the Board, which shall include farmer representation, shall be drawn approximately equally from the private or seed industry sector and from the government or public sector. No member shall be eligible to act on any matter involving any appeal or questions under section 44 of the Act, in which the member or his or her employer has a direct financial interest.

(b) The functions of the Board are to:

(1) Advise the Secretary concerning adoption of rules and regulations to facilitate the proper administration of the Act;

(2) Make advisory decisions on all appeals from the examiner or Commissioner;

(3) Advise the Secretary on the declaration of a protected variety open to use in the public interest; and

(4) Advise the Secretary on any other matters under the regulations in this part.

(c) The proceedings of the Board shall be conducted in accordance with the Federal Advisory Committee Act, Administrative Regulations of the U.S. Department of Agriculture (7 CFR part 25), and such additional operating procedures as are adopted by members of the Board.

THE APPLICATION

§97.5 General requirements.

(a) Protection under the Act shall be afforded only as follows:

(1) Nationals and residents of the United States shall be eligible to receive all of the protection under the Act.

(2) Nationals and residents of Member States of the International Union for the Protection of New Varieties of Plants (including states which are members of an intergovernmental organization which is a UPOV member) shall be eligible to receive the same protection under the Act as is provided to nationals of the United States.

(3) Persons who are not entitled to protection under paragraph (a)(1) or (2) of this section, and who are nationals of a foreign state which is not a member of the International Union for the Protection of New Varieties of Plants, shall be entitled to only so much of the protection provided under the Act, as is afforded by such foreign state to nationals of the United States, for the same genus and species under the laws of such foreign state in effect at the time that the application for protection under the Act is filed, except where further protection under the Act must be provided in order to avoid the violation of a treaty to which the United States is a party.

(b) Applications for certificates shall be made to the Plant Variety Protection Office. An application shall consist of:

(1) A completed application form, except that the section specifying that seed of the variety shall be sold by variety name only, as a class of certified seed, need not be completed at the time of application.

(2) A completed set of the exhibits, as specified in the application form, unless the examiner waives submission of certain exhibits as unnecessary, based on other claims and evidence presented in connection with the application.

(3) Language and legibility: (i) Applications and exhibits must be in the English language and legibly written, typed or printed.

(ii) Any interlineation, erasure, cancellation, or other alteration must be made in permanent ink before the application is signed and shall be clearly initialed and dated by the applicant to indicate knowledge of such fact at the time of signing.
