§ 220.13 Special responsibilities of State agencies.

(a) [Reserved]

(a-1) Each State agency, or FNSRO where applicable, shall require each School Food Authority of a school participating in the School Breakfast Program to develop and file for approval a free and reduced price policy statement in accordance with paragraph (a) of § 220.7.

(b) *Records and reports.* (1) Each State agency shall maintain Program records as necessary to support the reimbursement payments made to School Food Authorities under § 220.9 and the reports submitted to FNS under § 220.13(b)(2). The records may be kept in their original form or on microfilm, and shall be retained for a period of three years after the date of submission of the final Financial Status Report for the fiscal year, except that if audit findings have not been resolved, the records shall be retained beyond the three-year period as long as required for the resolution of the issues raised by the audit.

(2) Each State agency shall submit to FNS a final Report of School Program Operations (FNS-10) for each month which shall be limited to claims submitted in accordance with § 220.11(b) and which shall be postmarked and/or submitted no later than 90 days following the last day of the month covered by the report. States shall not receive Program funds for any month for which the final report is not submitted within this time limit unless FNS grants an exception. Upward adjustments to a State agency's report shall not be made after 90 days from the month covered by the report unless authorized by FNS. Downward adjustments shall always be made, without FNS authorization, regardless of when

it is determined that such adjustments are necessary. Adjustments shall be reported to FNS in accordance with procedures established by FNS. Each State agency shall also submit to FNS a quarterly Financial Status Report (SF-269) on the use of Program funds. Such reports shall be postmarked and/or submitted no later than 30 days after the end of each fiscal year quarter. Obligations shall be reported only for the fiscal year in which they occur. A final Financial Status Report for each fiscal year shall be postmarked and/or submitted to FNS within 120 days after the end of the fiscal year. FNS shall not be responsible for reimbursing unpaid Program obligations reported later than 120 days after the close of the fiscal year in which they were incurred.

(3) For each of school years 2005-2006 through 2008-2009, each State agency shall monitor school food authority compliance with the food safety inspection requirement in § 220.7(a)(2) and submit an annual report to FNS documenting school compliance based on data supplied by the school food authorities. The report must be filed by November 15 following each of school years 2005-2006 through 2008-2009, beginning November 15, 2006. The State agency shall keep the records supplied by the school food authorities showing the number of food safety inspections obtained by schools for each of school years 2005-2006 through 2008-2009.

(c) Each State agency shall promptly investigate complaints received or irregularities noted in connection with the operation of either program, and shall take appropriate action to correct any irregularities. State Agencies shall maintain on file evidence of such investigations and actions. FNS or OI shall make investigations at the request of the State Agency or where FNS or OI determines investigations are appropriate.

(d) The State agency shall release to FNS any Federal funds made available to it under the Act which are unobligated at the end of each fiscal year. Any such funds shall remain available to FNS for the purposes of the programs authorized by the Act until expended. Release of funds by the State

(e) State agencies shall provide School Food Authorities with monthly information on foods available in plentiful supply, based on information provided by the Department.

(f) Each State agency shall provide program assistance as follows:

(1) Each State agency or FNSRO where applicable shall provide consultative, technical, and managerial personnel to administer programs, monitor performance, and measure progress toward achieving program goals.

(2) State agencies shall conduct reviews of schools participating in the Program for compliance with the provisions of this part when such schools are being reviewed under the provisions identified under § 210.18(i) of this title. Compliance reviews of participating schools shall focus on the reviewed school's compliance with the required certification, counting and breakfast service procedures. School food authorities may appeal a denial of all or a part of the Claim for Reimbursement or withholding of payment arising from review activity conducted by the State agency under § 210.18 of this title or by FNS under § 210.30(d)(2) of this title. Any such appeal shall be subject to the procedures set forth under § 210.18(q) of this title or § 210.30(d)(3) of this title, as appropriate.

(3) For the purposes of compliance with the nutrition standards in § 220.8(a) and the nutrient and calorie levels in § 220.8(b) or (c) or those developed under § 220.8(e)(1) or (h), the State agency shall follow the provisions specified § 210.19(a)(1) of this chapter.

(4) Such assistance shall include visits to participating schools to ensure compliance with program regulations and with the Department's non-discrimination regulations (part 15 of this title), issued under title VI, of the Civil Rights Act of 1964.

(5) Documentation of such assistance shall be maintained on file by the State agency, or FNSRO where applicable.

(g) State agencies shall adequately safeguard all assets and assure that they are used solely for authorized purposes.

(h) [Reserved]

(i) Each State agency, or FNS where applicable, shall establish a financial management system under which School Food Authorities shall account for all revenues and expenditures of their nonprofit school food service. The system shall prescribe the allowability of nonprofit school food service expenditures in accordance with this part and 7 CFR part 3015, and 7 CFR part 3016 or 7 CFR part 3019, as applicable. The system shall permit determination of school food service net cash resources, and shall include any criteria for approval of net cash resources in excess of three months average expenditures. In addition, School Food Authorities shall be required to account separately for other food services which are operated by the School Food Authority.

(j) During audits, supervisory assistance reviews, or by other means, State agencies, or FNSROs where applicable, shall be responsible for monitoring the net cash resources of the nonprofit school food service of each School Food Authority participating in the Program. In the event that such resources exceed three months average expenditures for the School Food Authority's nonprofit school food service, or such amount as may be approved by the State agency or FNSRO where applicable, the State agency or FNSRO where applicable, may require the School Food Authority to reduce children's prices, improve food quality or take other actions designed to improve the nonprofit school food service. In the absence of any such action, adjustments in the rates of reimbursement under the Program shall be made.

(k) State agencies shall require compliance by School Food Authorities with applicable provisions of this part.

(1) *Data collection related to school food authorities.* (1) Each State agency must collect data related to school food authorities that have an agreement with the State agency to participate in the program for each of Federal fiscal years 2006 through 2009, including those

§ 220.14 Claims against school food authorities.

(a) State agencies shall disallow any portion of a claim and recover any payment made to a School Food Authority that was not properly payable under this part. State agencies will use their own procedures to disallow claims and recover overpayments already made.

(b) [Reserved]

(c) The State agency may refer to CND through the FNSRO for determination any action it proposes to take under this section.

(d) The State agency shall maintain all records pertaining to action taken under this section. Such records shall be retained for a period of 3 years after

the end of the fiscal year to which they pertain.

(e) If CND does not concur with the State agency's action in paying a claim or a reclaim, or in failing to collect an overpayment, CND shall assert a claim against the State agency for the amount of such claim, reclaim, or overpayment. In all such cases the State agency shall have full opportunity to submit to CND evidence or information concerning the action taken. If, in the determination of CND, the State agency's action was unwarranted, the State agency shall promptly pay to FNS the amount of the claim, reclaim, or overpayment.

(f) The amounts recovered by the State agency from Schools may be utilized, first, to make payments to School Food Authorities for the purposes of the related program during the fiscal year for which the funds were initially available, and second to repay any State funds expended in the reimbursement of claims under the program and not otherwise repaid. Any amounts recovered which are not so utilized shall be returned to FNS in accordance with the requirements of this part.

(g) With respect to School Food Authorities of schools in which the program is administered by FNSRO, when FNSRO disallows a claim or a portion of a claim, or makes a demand for refund of an alleged overpayment, it shall notify the School Food Authority of the reasons for such disallowance or demand and the School Food Authority shall have full opportunity to submit evidence or to file reclaims for any amounts disallowed or demanded in the same manner as that afforded in this section to School Food Authorities of schools in which the program is administered by State agencies.

(h) In the event that the State agency or FNSRO, where applicable, finds that a school is failing to meet the requirements of § 220.8(g), § 220.8(i)(2) and (i)(3), whichever is applicable, the State agency or FNSRO need not disallow payment or collect an overpayment arising out of such failure, if the State agency or FNSRO takes such other action as, in its opinion, will have a corrective effect.

(i) The Secretary shall have the authority to determine the amount of, to
