§ 226.18 Day care home provisions.

(a) Day care homes shall have current Federal, State or local licensing or approval to provide day care services to children. Day care homes which cannot obtain their license because they lack the funding to comply with licensing standards may request a total

limit per home of \$300 in administrative funds from a sponsoring organization to assist them in obtaining their license. Day care homes that, at the option of their sponsoring organization, receive administrative funds for licensing-related expenses must complete documentation requested by their sponsor as described in § 226.16(k) prior to receiving any funds. The agreement must be signed by the sponsoring organization and the provider and must include the provider's full name, mailing address, and date of birth. Day care homes which are complying with applicable procedures to renew licensing or approval may participate in the Program during the renewal process, unless the State agency has information which indicates that renewal will be denied. If licensing or approval is not available, a day care home may participate in the Program if:

(1) The right of the sponsoring organization, the State agency, the Department, and other State and Federal officials to make announced or unannounced reviews of the day care home's operations and to have access to its meal service and records during its normal hours of child care operations. For day care homes participating July 29, 2002, the sponsoring organization must amend the current agreement no later than August 29, 2002;

(2) It demonstrates compliance with CACFP child care standards or applicable State or local child care standards to the State agency.

(b) Day care homes participating in the program shall operate under the auspices of a public or private non-profit sponsoring organization. Sponsoring organizations shall enter into a written permanent agreement with each sponsored day care home which specifies the rights and responsibilities of both parties. Nothing in the preceding sentence shall be construed to limit the ability of the sponsoring organization to suspend or terminate the permanent agreement in accordance with § 226.16(1). This agreement shall be developed by the State agency, unless the State agency elects, at the request of the sponsor, to approve an agreement developed by the sponsor. At a minimum, the agreement shall embody:

Each tier II day care home in which the provider elects to have the sponsoring organization identify enrolled children who are eligible for free or reduced price meals, and in which the sponsoring organization employs a meal counting and claiming system in accordance with § 226.13(d)(3)(i), shall maintain and submit each month to the sponsoring organization daily records of the number and types of meals served to each enrolled child by name. Payment may be made for meals served to the provider's own children only when (1) such children are en-
