

## § 248.13

incurred specifically for the FMNP. Indirect costs are administrative costs that benefit multiple programs or activities, and cannot be identified to any one without effort disproportionate to the results achieved. In accordance with the provisions of 7 CFR part 3016, a claim for reimbursement of indirect costs shall be supported by an approved allocation plan for the determination of such costs. An indirect cost rate developed through such an allocation plan may not be applied to a base that includes food costs.

(2) *Costs allowable with prior approval.* A State or local agency must obtain prior approval in accordance with 7 CFR 3016.22 before charging to the FMNP any capital expenditures and other cost items designated by 7 CFR 3016.22 as requiring such approval.

(3) *Unallowable costs.* Costs that are not reasonable and necessary for FMNP purposes, or that do not otherwise satisfy the cost principles of 7 CFR 3016.22, are unallowable. Notwithstanding any other provision of part 3016 or this part, the cost of constructing or operating a farmers' market is unallowable. Unallowable costs may never be claimed for Federal reimbursement or counted toward the State matching requirement.

(b) *Specified allowable administrative costs.* Allowable administrative costs include the following:

(1) The costs associated with the provision of nutrition education which meets the requirements of § 248.9 of this part.

(2) The costs of FMNP coupon issuance, or recipient education covering proper coupon redemption procedures.

(3) The cost of outreach services.

(4) The costs associated with the food delivery process, such as printing FMNP coupons, processing redeemed coupons, and training market managers on the food delivery system.

(5) The cost of monitoring and reviewing Program operations.

(6) The cost of FMNP training.

(7) The cost of required reporting and recordkeeping.

(8) The cost of determining which local WIC sites will be utilized.

## 7 CFR Ch. II (1–1–10 Edition)

(9) The cost of recruiting and authorizing farmers/farmers' markets to participate in the FMNP.

(10) The cost of preparing contracts for farmers/farmers' markets and local WIC providers.

(11) The cost of developing a data processing system for redemption and reconciliation of FMNP coupons.

(12) The cost of designing program training and informational materials.

(13) The cost of coordinating FMNP implementation responsibilities between designated administering agencies.

### § 248.13 FMNP income.

Program income means gross income the State agency earns from grant supported activities. It includes fees for services performed and receipts from the use or rental of real or personal property acquired with Federal grant funds, but does not include proceeds from the disposition of such property. The State agency shall retain Program income earned during the agreement period and use it for Program purposes in accordance with the addition method described in 7 CFR 3016.25(g)(2). Fines, penalties or assessments paid by local agencies or farmers/farmers' markets are also deemed to be FMNP income. The State agency shall ensure that the sources and applications of Program income are fully documented.

### § 248.14 Distribution of funds.

(a) *Conditions for receipt of Federal funds—(1) Matching of funds—(i) Match amount.* As a prerequisite to the receipt of Federal funds, a State agency must agree to contribute State, local or private funds, or program income, equal to not less than 30 percent of the total administrative FMNP cost. The Secretary may negotiate a lower percentage of matching funds, but not lower than 10 percent of the administrative cost of the program, in the case of an Indian State agency that demonstrates to the Secretary financial hardship for the affected Indian tribe, band, group, or council. The State agency may contribute more than the minimum amount. State, local or private funds for similar programs as defined in
