§ 250.69 Disaster food assistance.

(a) Organizational eligibility. In instances in which the President has declared a disaster and FNS has determined that, as a result of the disaster, low-income households are unable to purchase adequate amounts of nutritious food, disaster organizations (including agencies of State and Federal government) may be eligible to receive donated foods for congregate meal service or household distribution to disaster victims. Applications submitted by disaster organizations to the distributing agency for the receipt and distribution of donated foods in accordance with paragraphs (b)(2) and (c)(2) of this section shall be initially submitted in writing if circumstances permit and, if not, confirmed in writing in a timely manner. Both the applications and the written approval for the use of USDA commodities shall be maintained in accordance with the record-keeping requirements of this part.
