the Food Stamp Program and that the ITO is potentially capable of operating an effective and efficient Food Stamp Program, FNS shall determine, based on information provided by the ITO and other sources such as BIA, the training and technical assistance which is necessary to assure efficient and effective program administration. FNS will assure that appropriate training and technical assistance is provided as expeditiously as possible prior to the ITO’s assumption of the administration of the Food Stamp Program.

(d) Assumption of duties. When FNS is satisfied that the ITO has successfully completed (c) of this section, FNS shall designate the ITO as a State agency, contingent on the following:

(1) State plans. The ITO shall prepare and submit to FNS a Plan of Operation as provided in §272.2. In completing the Plan of Operation the ITO shall affirm that it will comply with the Civil Rights assurances detailed in (b)(1)(vi) of this section.

(2) Proposed budget. As part of the Plan of Operation, the ITO shall annually submit to FNS a proposed statement which shall provide a summary of program information and amounts budgeted to carry out the various program functions. This information shall be submitted to FNS for approval prior to the commitment of any Federal funds for administrative costs for that year. FNS shall provide the ITO any technical assistance which is necessary to prepare this information.

(3) Termination and transition arrangement. An effective termination and transition arrangement shall be established as required in §281.8.

§281.5 Responsibilities of an Indian tribal organization designated as State agency.

An ITO administering the Food Stamp Program on a reservation shall adhere to the Food Stamp Act of 1977, all subsequent amendments, and all regulations issued pursuant to that law in the same manner as any other State agency. The ITO may contract certain administrative functions to private organizations as provided in parts 274 and 277. The ITO may not, however, contract responsibility for certification activities such as interviews or eligibility determinations. The ITO shall retain full responsibility for program administration.

§281.6 Liabilities and sanctions.

An ITO administering the Food Stamp Program on a reservation is subject to the same liabilities and Federal sanctions as is any other State agency. FNS shall monitor administration of the Program and conduct reviews through the Performance Reporting System described in part 275. When necessary, warning procedures and other Federal sanctions prescribed in part 276 will be implemented.

§281.7 Indian tribal organization failure.

When Performance Reporting System reviews indicate that continuing deficiencies exist and corrective action proposals (including training and technical assistance to overcome these deficiencies), and/or appropriate sanctions have not, in the opinion of FNS, resulted in a sufficient degree of improvement, FNS will conduct a review to determine if the ITO has failed to properly administer the Food Stamp Program. FNS shall examine the relevant factors specified in §281.3(b)(1) and shall follow the notification and determination procedures set forth in §281.3 (c) and (d). If ITO failure is determined, FNS shall require the appropriate agency of the State government to resume administration of the Program on the reservation in accordance with an approved termination and transition arrangement.

§281.8 Transfer of program administration.

The transfer of program administration from an agency of the State government to an ITO pursuant to a determination of failure as provided for in §281.3, or from an ITO to an agency of the State government pursuant to §281.7, shall be contingent on the establishment of an effective termination and transition arrangement and an approved Plan of Operation from the State agency assuming program administration. Grant closeout procedures shall be followed in accordance with part 277. FNS shall approve the
