

**§ 322.26**

**§ 322.26 Inspection and handling.**

(a) All shipments of restricted organisms transiting the United States are subject to inspection at the port in the United States for compliance with this part. If, upon inspection, a transit shipment of restricted articles is found not to meet the requirements of this part, we will destroy the shipment at your expense.

(b) *Transloading*—(1) *Adult bees*. You may transload adult bees from one aircraft to another aircraft at the port of arrival in the United States only under the supervision of an inspector. If the adult bees cannot be transloaded immediately to the subsequent flight, you must store them within a completely enclosed building. Adult bees may not be transloaded from an aircraft to ground transportation for subsequent movement through the United States.

(2) *Bee germ plasm*. You may transload bee germ plasm from one aircraft to another at the port of arrival in the United States only under the supervision of an inspector.

**§ 322.27 Eligible ports for transit shipments.**

You may transit restricted organisms only through a port of entry staffed by an APHIS inspector.<sup>7</sup>

**Subpart E—Importation and Transit of Restricted Articles**

**§ 322.28 General requirements; restricted articles.**

(a) The following articles from any region are restricted articles:

- (1) Dead bees of any genus;
- (2) Beeswax for beekeeping; and
- (3) Honey for bee feed.

(b) Restricted articles may only be imported into or transit the United States in accordance with this part.

**§ 322.29 Dead bees.**

(a) Dead bees imported into or transiting the United States must be either:

(1) Immersed in a solution containing at least 70 percent alcohol or a suitable fixative for genetic research;

(2) Immersed in liquid nitrogen; or

(3) Pinned and dried in the manner of scientific specimens.

(b) Dead bees are subject to inspection at the port of entry in the United States to confirm that the requirements of paragraph (a) of this section have been met.

**§ 322.30 Export certificate.**

Each shipment of restricted articles, except for dead bees, imported into or transiting the United States must be accompanied by an export certificate issued by the appropriate regulatory agency of the national government of the exporting region. The export certificate must state that the articles in the shipment have been treated as follows:

(a) *Beeswax*. Must have been liquefied, and slumgum and honey must be removed.

(b) *Honey for bee feed*. Heated to 212 °F (100 °C) for 30 minutes.

(Approved by the Office of Management and Budget under control number 0579–0207)

**§ 322.31 Notice of arrival.**

(a) At least 10 business days prior to the arrival in the United States of any shipment of restricted articles, you must notify APHIS of the impending arrival. Your notification must include the following information:

(1) Your name, address, and telephone number;

(2) The name and address of the recipient of the restricted articles;

(3) The name, address, and telephone number of the producer;

(4) The date you expect to receive the shipment;

(5) A description of the contents of the shipment (*i.e.*, dead bees, honey for bee feed, etc.); and

(6) The total number of restricted articles you expect to receive.

(b) You must provide the notification to APHIS through one of the following means:

(1) By mail to the Permit Unit, PPQ, APHIS, 4700 River Road Unit 133, Riverdale, MD 20737–1236; or

(2) By facsimile at (301) 734–8700; or

<sup>7</sup>To find out if a specific port is staffed by an APHIS inspector, or for a list of ports staffed by APHIS inspectors, contact Permit Unit, PPQ, APHIS, 4700 River Road Unit 133, Riverdale, MD 20737–1236; toll-free (877) 770–5990; fax (301) 734–8700.
