Federal Crop Insurance Corporation, USDA

§ 400.713

(i) Continue to maintain the policy or plan of insurance, the applicant must submit a request for approval of the user fee by the Board at the time of the election; or

(ii) Transfer the policy or plan of insurance to FCIC, FCIC may at its sole discretion, continue to maintain the policy or plan of insurance or elect to withdraw the availability of the policy or plan of insurance.

(3) Requests for approval of the user fee must be accompanied by written documentation to support that the amount requested will only cover maintenance costs.

(4) The Board will approve the amount of user fee that is payable to the applicant by approved insurance providers unless the Board determines that the user fee charged:

(i) Is unreasonable in relation to the maintenance costs associated with the policy or plan of insurance; or

(ii) Unnecessarily inhibits the use of the policy or plan of insurance by other approved insurance providers.

(5) Reasonableness of the user fees will be determined by the Board based on a comparison with the amount of reimbursement previously received, the number of policies, the number of approved insurance providers, and the expected total amount of user fees to be received in any reinsurance year.

(6) A user fee unnecessarily inhibits the use of a policy or plan of insurance if it is so high that other approved insurance providers are unable to pay such fees because of the volume of business currently underwritten by the approved insurance provider.

(7) The user fee charged to each approved insurance provider will be considered payment in full for the use of such policy, plan of insurance or rate of premium for the reinsurance year in which payment is made.

(8) If the applicant does not notify FCIC at least six months prior to the last day of the last reinsurance year in which a maintenance reimbursement will be paid, as approved by the Board, ownership of the policy or plan of insurance will be automatically transferred to FCIC beginning with the next reinsurance year.

(k) The Board may consider information from the Equal Access to Justice Act, 5 U.S.C. 504, the Bureau of Labor Statistic’s Occupational Employment Statistics Survey, the Bureau of Labor Statistic’s Employment Cost Index, and any other information determined applicable by the Board, in making a determination whether to approve a submission for reimbursement of research and development costs, or maintenance costs under this section or the amount of reimbursement.

(l) For the purposes of this section, rights to, or obligations of, research and development cost reimbursement, maintenance cost reimbursement, or user fees cannot be transferred from any individual or entity unless specifically approved in writing by the Board.

(m) Notwithstanding the definition in §400.701, the maintenance period ends for an approved submission once the applicant no longer performs the maintenance responsibilities, as determined by FCIC, or the applicant gives FCIC notice they no longer wish to maintain the submission.

(n) Applicants requesting reimbursement for research and development costs, maintenance costs, or user fees, may present their request in person to the Board prior to consideration for approval.

§ 400.713 Nonreinsured supplemental (NRS) policy.

(a) Unless notified by FCIC, three hard copies, or an electronic copy in a format approved by RMA, of the new or revised NRS policy and related materials must be submitted to the Deputy Administrator, Research and Development (or successor), Risk Management Agency, 6501 Beacon Drive, Stop 0812, Kansas City, MO 64133-4676, at least 120 days prior to the first sales closing date applicable to the policy.

(b) FCIC will review the NRS policy to determine that it does not materially increase or shift risk to the underlying policy or plan of insurance reinsured by FCIC, reduce or limit the rights of the insured with respect to
the underlying policy or plan of insurance, or cause disruption in the marketplace for products reinsured by FCIC.

(1) An NRS policy will be considered to disrupt the marketplace if it adversely affects the sales or administration of reinsured policies, undermines producers’ confidence in the Federal crop insurance program, decreases the producer’s willingness or ability to use Federally reinsured risk management products, or harms public perception of the Federal crop insurance program.

(2) The applicant, at a minimum, must provide worksheets and examples that establish liability and determine indemnities that demonstrate the performance of the NRS policy under differing scenarios. When the review is complete, FCIC will forward their findings to the applicant.

(c) If the approved insurance provider sells an NRS policy that RMA determines materially increases or shifts risk to the underlying FCIC reinsured policy, reduces or limits the rights of the insured with respect to the underlying policy, or causes disruption in the marketplace for products reinsured by FCIC, reinsurance, A&O subsidy and risk subsidy will be denied on the underlying FCIC reinsured policy for which such NRS policy was sold.

(d) FCIC will respond to the submitter not less than 60 days before the first sales closing date or provide notice why FCIC is unable to respond within the time frame allotted.
