houses and above-ground irrigation facilities, for removing poultry house debris, including carcasses, and for providing water for livestock.

[71 FR 30265, May 26, 2006]

§ 701.54 Oysters.

(a) Notwithstanding § 701.5(b), but otherwise subject to the other eligibility provisions of this part except as provided explicitly in this section, assistance may be made available under this section for the eligible cost of refurbishing public or private oyster reefs damaged in calendar year 2005 by a 2005 hurricane. Oyster bed refurbishing consists of removing mud from public and private oyster beds, staking out the leased areas, reestablishing the oyster beds using crushed limestone, recycled oyster shells, or other available and suitable approved cultch materials, reseeding the oyster beds, and related actions approved by FSA.

(b) Notwithstanding § 701.26, an ECP participant shall not receive more than 90 percent of the participant's actual cost or of the total allowable cost described in paragraph (a) of this section.

(c) The provisions of § 701.26(c) limiting ECP payments to 50 percent of the agricultural value of the land do not apply to oyster bed rehabilitation and refurbishing.

[71 FR 30265, May 26, 2006]

§ 701.55 Nursery.

(a) Subject to the other eligibility provisions of this part except as provided explicitly in this section, assistance may be made available in an eligible county under this section for the cost of removing nursery debris such as nursery structures, shade houses, and above ground irrigation facilities, where such debris was created in calendar year 2005 by a 2005 hurricane.

(b) Notwithstanding § 701.26, an otherwise eligible ECP participant may be allowed up to 90 percent of the participant's actual cost or of the total allowable cost for losses described in paragraph (a) of this section.

[71 FR 30265, May 26, 2006]

§ 701.56 Poultry.

(a) Subject to the other eligibility provisions of this part except as pro-

7 CFR Ch. VII (1-1-10 Edition)

vided explicitly in this section, assistance may be allowed under this section for uninsured losses in calendar year 2005 to a poultry house in an eligible county due to a 2005 hurricane.

(b) Claimants under this section may be allowed an amount up to the lesser of:

(1) The lesser of 50 percent of the participant's actual or the total allowable cost of the reconstruction or repair of a poultry house, or

(2) \$50,000 per poultry house.

(c) The total amount of assistance provided under this section and any indemnities for losses to a poultry house paid to a poultry grower, may not exceed 90 percent of the total costs associated with the reconstruction or repair of a poultry house.

(d) Poultry growers must provide information on insurance payments on their poultry houses. Copies of contracts between growers and poultry integrators may be required.

(e) Assistance under this section is limited to amounts necessary for reconstruction and/or repair of a poultry house to the same size as before the hurricane.

(f) Assistance is limited to poultry houses used to house poultry for commercial enterprises. A commercial poultry enterprise is one with a dedicated structure for poultry and a number of poultry that exceeds actual non-commercial uses of poultry and their products at all times, and from which poultry or related products are actually, and routinely, sold in commercial quantities for food, fiber, or eggs. Unless otherwise approved by FSA, a commercial quantity is a quantity per week that would normally exceed \$100 in sales.

(g) Poultry houses with respect to which claims are made under this section must be reconstructed or repaired to meet current building standards.

§ 707.2

costs related to reforestations, rehabilitation, and related measures undertaken because of losses in calendar year 2005 caused by a 2005 hurricane. To be eligible, a non-industrial private forest landowner must have suffered a loss of, or damage to, at least 35 percent of forest acres on commercial forest land of the forest landowner in a designated disaster county due to a 2005 hurricane or related condition. The 35 percent loss shall be determined based on the value of the land before and after the hurricane event.

(b) During the 5-year period beginning on the date of the loss, the eligible private non-industrial forest landowner must:

(1) Reforest the eligible damaged forest acres in accordance with a forest management plan approved by FSA that is appropriate for the forest type where the forest management plan is developed by a person with appropriate forestry credentials, as determined by the Deputy Administrator;

(2) Use the best management practices included in the forest management plan; and

(3) Exercise good stewardship on the forest land of the landowner while maintaining the land in a forested state.

(c) Notwithstanding § 701.26, an ECP participant shall not receive under this section more than 75 percent of the participant's actual cost or of the total allowable cost of reforestation, rehabilitation, and related measures.

(d) Payments under this section shall not exceed a maximum of \$150 per acre for any acre.

(e) Requests will be prioritized based upon planting tree species best suited to the site as stated in the forest management plan.
