§ 786.100 Applicability.

(a) Subject to the availability of funds, this part specifies the terms and conditions applicable to the Dairy Disaster Assistance Payment Program (DDAP-III) authorized by section 9007 of Public Law 110-28 (extended by Pub. L. 110-161). Benefits are available to eligible United States producers who have suffered dairy production losses in eligible counties as a result of a natural disaster declared during the period between January 1, 2005, and December

7 CFR Ch. VII (1-1-10 Edition)

31, 2007, (that is, after January 1, 2005, and before December 31, 2007).

(b) To be eligible for this program, a producer must have been a milk producer anytime during the period of January 2, 2005, through December 30, 2007, in a county declared a natural disaster by the Secretary of Agriculture, declared a major disaster or emergency designated by the President of the United States. For a county for which there was a timely Presidential declaration, but the declaration did not cover the loss, the county may still be eligible if the county is one for which an appropriate determination of a Farm Service Agency (FSA) Administrator's Physical Loss Notice applies. Counties contiguous to a county that is directly eligible by way of a natural disaster declaration are also eligible. Only losses occurring in eligible counties are eligible for payment in this program.

(c) Subject to the availability of funds, FSA will provide benefits to eligible dairy producers. Additional terms and conditions may be specified in the payment application that must be completed and submitted by producers to receive a disaster assistance payment for dairy production losses.

(d) To be eligible for payments, producers must meet the provisions of, and their losses must meet the conditions of, this part and any other conditions imposed by FSA.

§ 786.101 Administration.

(a) DDAP-III will be administered under the general supervision of the Administrator, FSA, or a designee, and be carried out in the field by FSA State and county committees (State and county committees) and FSA employees.

(b) State and county committees, and representatives and employees thereof, do not have the authority to modify or waive any of the provisions of the regulations of this part.

(c) The State committee will take any action required by the regulations of this part that has not been taken by the county committee. The State committee will also:

(1) Correct, or require the county committee to correct, any action taken by such county committee that is not

in accordance with the regulations of this part; and

(2) Require a county committee to withhold taking any action that is not in accordance with the regulations of this part.

(d) No provision of delegation in this part to a State or county committee will preclude the Administrator, FSA, or a designee, from determining any question arising under the program or from reversing or modifying any determination made by the State or county committee.

(e) The Deputy Administrator, Farm Programs, FSA, may authorize State and county committees to waive or modify deadlines in cases where lateness or failure to meet such requirements do not adversely affect the operation of the DDAP-III and does not violate statutory limitations of the program.

(f) Data furnished by the applicants is used to determine eligibility for program benefits. Although participation in DDAP-III is voluntary, program benefits will not be provided unless the producer furnishes all requested data.
