§ 800.153
(c) Special retention periods. In specific instances, the Administrator may require that file samples be retained for a period of not more than 90 calendar days. File samples may be kept for a longer time than the regular retention period at the option of the Service, the agency, or the individual maintaining the records.

(Approved by the Office of Management and Budget under control number 0580–0011)

§ 800.153 Maintenance and retention of records on official inspection, Class X or Class Y weighing, and equipment testing service.

Agencies and approved scale testing organizations shall maintain complete detailed official inspection work records, copies of official certificates, and equipment testing work records for 5 years.

(Approved by the Office of Management and Budget under control number 0580–0011)

§ 800.154 Availability of official records.

(a) Availability to officials. Each agency, contractor, and approved scale testing organization shall permit authorized representatives of the Comptroller General, the Secretary, or the Administrator to have access to and to copy, without charge, during customary business hours any records maintained under §§800.146–800.159.

(b) Availability to the public—(1) Agency, contractor, and approved scale testing organization records. The following official records will be available, upon request by any person, for public inspection during customary business hours: (i) Copies of the Act, the regulations, the standards, and the instructions; (ii) the delegation, designation, contract, or approval issued by the Service; (iii) organization and staffing records; (iv) a list of licenses and approvals; and (v) the approved fee schedule of the agency, if applicable.

(b) Service records. Records of the Service available for public inspection shall be retained at each field office and at the headquarters of the Service in Washington, D.C.

§ 800.155 Detailed work records—general requirements.

(a) Preparation. Detailed work records shall be prepared for each official inspection, Class X or Class Y weighing, and equipment testing service performed or provided under the Act. The records shall (1) be on standard forms prescribed in the instructions; (2) be typed or legibly written in English; (3) be concise, complete, and accurate; (4) show all information and data that are needed to prepare the corresponding official certificates or official report; (5) show the name or initials of the individual who made each determination; and (6) show other information required by the Service to monitor or supervise the service provided.

(b) Use. Detailed work records shall be used as a basis for (1) issuing official certificates or official forms, (2) approving inspection and weighing equipment for the performance of official inspection or Class X or Class Y weighing services, (3) monitoring and supervising activities under the Act, (4) answering inquiries from interested persons, (5) processing complaints, and (6) billing and accounting. These records may be used to report results of official inspection or Class X or Class Y weighing services in advance of issuing an official certificate.

(c) Standard forms. The following standard forms shall be furnished by the Service to an agency: Official Export Grain Inspection and Weight Certificates (singly or combined), official inspection logs, official weight loading logs, official scale testing reports, and official volume of work reports. Other forms used by an agency in the performance of official services, including
