(b) In arriving at its recommendations for regulation pursuant to paragraph (a) of this section, the committee shall give consideration to current information with respect to the factors affecting the supply and demand for kiwifruit during the period or periods when it is proposed that such regulations should be made effective. With each such recommendation for regulation, the committee shall submit to the Secretary the data and information on which such recommendation is predicated and such other available information as the Secretary may request.

§ 920.52 Issuance of regulations.

(a) The Secretary shall regulate, in the manner specified in this section, the handling of kiwifruit whenever the Secretary finds, from the recommendations and information submitted by the committee, or from other available information, that such regulations will tend to effectuate the declared policy of the act. (2) Limit the shipment of kiwifruit by establishing, in terms of grades, sizes, or both, minimum standards of quality and maturity during any period when season average prices are expected to exceed the parity level;

(3) Fix the size, capacity, weight, dimensions, markings, or pack of the container, or containers, which may be used in the packaging or handling of kiwifruit.

§ 920.53 Modification, suspension, or termination of regulations.

(a) In the event the committee at any time finds that, by reason of changed conditions, any regulations issued pursuant to § 920.52 should be modified, suspended, or terminated, it shall so recommend to the Secretary.

(b) Whenever the Secretary finds from the recommendations and information submitted by the committee or from other available information, that a regulation should be modified, suspended, or terminated with respect to any or all shipments of kiwifruit in order to effectuate the declared policy of the act, the Secretary shall modify, suspend, or terminate such regulation. If the Secretary finds that a regulation obstructs or does not tend to effectuate the declared policy of the act, the Secretary shall suspend or terminate such regulation. On the same basis and in like manner the Secretary may terminate any such modification or suspension.

§ 920.60

Such rules, regulations, and safeguards may include the requirements that handlers shall file applications and receive approval from the committee for authorization to handle kiwifruit pursuant to this section, and that such applications be accompanied by a certification by the intended purchaser or receiver that the kiwifruit will not be used for any purpose not authorized by this section.

§ 920.55 Inspection and certification.

(a) Whenever the handling of any variety of kiwifruit is regulated pursuant to § 920.52, or § 920.53, each handler who handles kiwifruit shall, prior thereto, cause such kiwifruit to be inspected by the Federal or Federal-State Inspection Service and certified as meeting the applicable requirements of such regulation: *Provided*, That inspection and certification shall not be required for kiwifruit which previously have been so inspected and certified if such prior inspection was performed within such period as may be established pursuant to paragraph (b) of this section. Promptly after inspection and certification, each such handler shall submit, or cause to be submitted, to the committee a copy of the certificate of inspection issued with respect to such kiwifruit. The committee may, with the approval of the Secretary, prescribe rules and regulations waiving the inspection requirements of this section where it is determined that inspection is not available: *Provided*, That all shipments made under such waiver shall comply with all regulations in effect.

(b) The committee may, with the approval of the Secretary, establish a period prior to shipment during which the inspection required by this section must be performed.

(c) The committee may enter into an agreement with the Federal and Federal-State Inspection Services with respect to the costs of the inspection required by paragraph (a) of this section, and may collect from handlers their respective pro rata shares of such costs.
