## § 922.111

remainder of this part or the applicability thereof to any other person, circumstance, or thing shall not be affected thereby.

### Subpart—Container Exemption; Waivers of Inspection and Certification

#### § 922.110 Container exemption.

Whenever container limitations are effective pursuant to § 922.52, a handler may make test shipments of apricots in experimental containers, approved by the committee, subject to the following:

(a) Test shipments shall be made only in connection with a container research project, or projects, being conducted by or in cooperation with the Washington Apricot Marketing Committee.

(b) The handler shall first make application to, and receive a permit from, the Washington Apricot Marketing Committee on a form of the committee to handle each experimental container proposed to be used by the handler for test shipments. Such application shall contain the following information:

(1) Name and address of the applicant and date of application;

(2) Description of the container, including size, weight, inside dimensions, and type of pack;

(3) Quantity of such containers proposed to be shipped.

(c) Approval of the application shall be evidenced by the issuance to the applicant by the committee of a permit which shall authorize the handling of apricots in such quantity of experimental containers as the committee may approve.

(d) With respect to each test shipment of apricots handled in experimental containers, the handler shall, prior to such handling, advise the committee as to (1) the number and type of the container or containers in the test shipment, (2) identification of the carrier, (3) name and address of the receiver, and (4) expected time of arrival at destination.

(e) Terms used in this section shall have the same meaning as when used in

said marketing agreement and order (§§ 922.1 to 922.71).

#### § 922.111 Waiver of inspection and certification.

(a) *Application.* Any handler (including a grower-handler packing and handling apricots of his own production), whose packing facilities are located in an area where a Washington State Horticultural Division Inspection Office or Federal-State Inspector is not readily available to perform the required inspection may, prior to shipment, apply to the Committee for a permit authorizing a waiver of inspection. Applications shall be made on forms furnished by the Committee and shall contain such information as the Committee may require including: Name and address of applicant, location of packing facility, distance of packing facility from the nearest inspection office, period (by approximate beginning and ending dates) during which applicant expects to ship apricots, estimated quantity of apricots applicant expects to ship to fresh market during such period, manner in which the majority of applicant's fruit will be marketed (i.e., transported by applicant to market, sold at orchard to truckers, etc.), areas or markets to which applicant expects to ship the majority of his apricots. The application shall also contain an agreement by applicant (1) not to ship or handle any apricots unless such apricots meet the grade, size, maturity, container, and all other requirements of the amended marketing agreement and order in effect at time of handling, (2) to report periodically to the Committee on reporting forms furnished by the Committee the following information on each shipment: quantity, variety, grade, minimum size, container, date of shipment, destination, name and address of buyer or receiver, and such other information as the Committee may specify, (3) to pay applicable assessments on each shipment, (4) to have or cause to have each shipment of apricots inspected when such shipment is transported to a market or through a location en route to market where an inspector is available,
