

§ 927.42

§ 927.42 Accounting.

(a) If, at the end of a fiscal period, the assessments collected are in excess of expenses incurred, the Fresh Pear Committee or the Processed Pear Committee may carryover such excess into subsequent fiscal periods as a reserve: *Provided*, That funds already in the reserve do not exceed approximately one fiscal period's expenses. Such reserve may be used to cover any expense authorized under this part and to cover necessary expenses of liquidation in the event of termination of this part. Any such excess not retained in a reserve or applied to any outstanding obligation of the person from whom it was collected shall be refunded proportionately to the persons from whom it was collected. Upon termination of this part, any funds not required to defray the necessary expenses of liquidation shall be disposed of in such manner as the Secretary may determine to be appropriate: *Provided*, That to the extent practical, such funds shall be returned pro rata to the persons from whom such funds were collected.

(b) All funds received pursuant to the provisions of this part shall be used solely for the purpose specified in this part and shall be accounted for in the manner provided in this part. The Secretary may at any time require the Fresh Pear Committee or the Processed Pear Committee and its members to account for all receipts and disbursements.

§ 927.43 Use of funds.

From the funds acquired pursuant to § 927.41 the Fresh Pear Committee and the Processed Pear Committee, each independently, shall pay the salaries of its employees, if any, and pay the expenses necessarily incurred in the performance of the duties of the Fresh Pear Committee or the Processed Pear Committee.

§ 927.44 [Reserved]

§ 927.47 Research and development.

The Fresh Pear Committee or the Processed Pear Committee, with the approval of the Secretary, may establish or provide for the establishment of production and post-harvest research, or marketing research and development projects designed to assist, improve, or promote the marketing, distribution, and consumption of pears. Such projects may provide for any form of marketing promotion, including paid advertising. The expense of such projects shall be paid from funds collected pursuant to §§ 927.41 and 927.45. recommend regulations to the Secretary if it finds, on the basis of the investigations specified in this section, that such regulation as is provided in § 927.51 will tend to effectuate the declared policy of the act.

(c) In the event the Fresh Pear Committee at any time finds that by reason of changed conditions any regulation issued pursuant to § 927.51 should be modified, suspended, or terminated, it shall so recommend to the Secretary.

§ 927.51 Issuance of regulations; and modification, suspension, or termination thereof.

(a) Whenever the Secretary finds, from the recommendations and information submitted by the Fresh Pear Committee, or from other available information, that regulation, in the manner specified in this section, of the shipment of fresh pears would tend to effectuate the declared policy of the act, he or she shall so limit the shipment of such pears during a specified period or periods. Such regulation may:

(1) Limit the total quantity of any grade, size, quality, or combinations thereof, of any variety or subvariety of pears grown in any district and may prescribe different requirements applicable to shipments to different export markets;

If the Secretary finds, from the recommendations and information submitted by the Fresh Pear Committee, or from other available information, that a regulation obstructs or does not tend to effectuate the declared policy of the act, he or she shall suspend or terminate such regulation. On the same basis and in like manner, the Secretary may terminate any such modification or suspension.
